Crude Oil Line Breaks Flood Morinville Sites

It took Jim McKay of Supervisory Consultants, Edmonton several hours Saturday night to locate a break in Federated Pipelines' crude oil network North of St. Albert.

Mr. McKay patrolled the crude oil pipeline aboard an aircraft all along the network from Morinville northwest to Swan Hills as well as north-east to Westlock. The light aircraft swept through the night for about five hours when Mr. McKay finally discovered the telltale pool of crude oil lying about one-half mile East of the Town of Morinville on the Mrs. Georgette Champagne land. The time was 1 a.m. Sunday, Dec. 3, Soon after the discovery, a second break was located further north toward High Ridge.

Immediately the alarm was sounded and men and equipment were brought in to deal with the emergency. About 50 men, equipped with backhoes, bulldozers and trucks attacked the problem in an effort to halt the spreading pools of crude and get at the task of repairing the line breaks.

Dozers were brought in to contain the spreading pools of raw crude while teams of workmen isolated the breaks and proceeded to dig down to effect repairs. This called for an around-the-clock operation and by 6 p.m. Monday, both line breaks had been repaired and tanker trucks were hauling out the final loads of reclaimed oil from the spill sumps.

Richard Verner, Home Oil pipeline department manager of Calgary was on the scene Sunday to supervise clean-up operations. Mr. Verner explained that this was the first break his firm had encountered in this region in 14 years. He further said that the damage to the ecology would be minimal in view of the fact that the spill was quickly discovered and contained in a relatively small area.

Both breaks, one near Morinville and the other located about 16 miles North, at the pipeline junction to Westlock, covered an area of about two acres each. The method employed to avoid the crude from spreading over a wider area was by means of building a series of dykes while sumps were excavated at intervals within the spill, where the raw crude could be collected.

From the sumps, giant tanker trucks pumped the raw crude and hauled it away to be cleaned and processed. Once the last load was hauled away, dozers went to work back-filling the line. The next step will be to burn away as much excess crude as possible in order to clear the two spill sites.

According to officials at Federated Pipelines Co. Ltd., a subsidiary of Home

Continued on Page 2

Jim McKay of Supervisory Consultants, Edmonton stands amid crude oil slush at the Morinville site of last weekend's pipeline break. The oil tanker pump truck was one of several similar vehicles thrown into service after the oil leak was discovered Sunday morning. The pump truck draws spilled crude which collected in the sumps dug out at the site by the reclaimer crew. Similar sumps can be seen in the background.

Grade 7 Students Hear Local MLA

Grade seven students of Sir George Simpson enjoyed a full hour with their local MLA Ernie Jamison last week and discussed parliamentary procedures on a first-hand basis. The exercise was arranged with Mr. Jamison through Mr. Jim Morrison, whose class was taking as one of its optional sessions 'Provincial Politics.'

Mr. Jamison, in his lecture, explained the make-up of the provincial legislature, legislative daily routine, duties of the various officials such as The Speaker, The Party Leaders, The Whip, and the MLAs. Mr. Jamison also explained the method of nominations, elections, constituency make-up, the recording and production of Hansard.

The class of about 30 students was then given the opportunity to quiz the MLA and they took full advantage of it.

Council Approves By-Election Date

Town Council Monday night approved unanimously a motion by Mayor Ray Gibbon that a by-election be held in January, 1973 to fill the vacancy created by the recent resignation of Rene Kambouroff who moved to British Columbia with his family last month.

Council approved that nominations be held January 3, 1973 between the hours of 10 a.m. until 12 o'clock noon and also that Mr. G. P. Moore be appointed returning officer. Voting day will be Wednesday, January 31st.

In view of the impending by-election, council discussed the possibilities of conducting a 'question to on the transportation issue. The 'question to' deal is simply a Municipal Act phrase meaning something between a survey, a questionnaire, a referendum and a plebiscite. To put the issue more clearly, council simply wants to know if the ratepayers of St. Albert are prepared and willing to pay for a more extensive bus service within the town limits as well as between St. Albert and Edmonton. Results of the 'question' are not necessarily binding on council like a referendum would be, but would direct council toward a further study of the St. Albert transportation issue.

Although the resignation of Don LaBelle, chairman of the St. Albert Public School Board has not been tabled, his intention to submit his resignation at the next board meeting was made official Tuesday. This development brings about the possibility of a by-election to fill the vacancy on the No. 3 School Board if more than one candidate is nominated. Voting on this issue would then also be held January 31.

Plan To Start Sturgeon River Basin Cleanup

An extensive winter works project, coming under the Priorities Employment Program (PEP) and entirely financed by the Provincial Government was unveiled last Friday at a preliminary meeting held in the Sturgeon Municipal District council chambers.

The project, to cost $75,000 as described by Tom Slater of the Provincial Resources Branch, shows where the Sturgeon River will undergo a dual-pronged attack which should result in clearing its banks of brush, trees and shrubs in an effort to reduce or eliminate annual spring floods. The two areas along the Sturgeon River which will see clearing operations this winter are the western section in the Alcomdale area and east of St. Albert near the lowlands adjacent to the golf course.

As described by Mr. Slater, the two projects will be carried out simultaneously. The Western project will employ 20 men while the Eastern undertaking will offer jobs to 40 men. Salaries are offered at the rate of $2.75 per hour for an average 7-hour day. Applications are presently being accepted by members of both MD Councils (Lac Ste. Anne and Sturgeon) and Town of St. Albert. Date for commencement has been set for December 11 and the project is expected to be an ongoing one for certainly more than one year.

Structure of the political division overseeing the two projects includes the MLAs of St. Albert and Stony Plain, the two reeves of the County of Lac Ste Anne and the MD of Sturgeon plus Mr. Slater of the Water Resources Branch and his assistant Mr. Phil Hunt, who will supervise the project.

Chairman of the project is Bill Veness of St. Albert whose duties will be to coordinate all aspects of the Priorities Employment Program, meet with councillors of both municipality and county who form part of his committee. Mr. Veness told The Gazette that he will be calling an emergency meeting Thursday of this week and has no reason to doubt that the December 11 starting deadline will be met

BILL VENESS
PEP CHAIRMAN

St. Albert Librarian engaged to do puppets for Alice in Wonderland

Don Mills, St. Albert librarian and puppet enthusiast will be playing a major role in the Alice In Wonderland production starting December 13 in Victoria Composite High School. Mr. Mills is seen above with star puppets such as the Lizzard, the March Hare, the Door Mouse and other 'Alice' personalities.

Don Mills of St. Albert Library is the 'Man of the Hour' with the Theatre 3 people in Edmonton.

When the theatre decided to do Alice in Wonderland as a show for children this December, they just had one problem - but it was a big one. Who could make the puppets needed in several scenes. Manager Ann Green phoned the provincial government drama division, and Ken Graham, a St. Albert resident, told her about Don. When Scott Johnson, writer and director of 'Alice' caught up to him, Don said "Wow" - I've wanted to do Alice for years." It turned out that Mr. Mills had also been interested in the potential of 'Alice' as an ideal puppet presentation, and in fact he had done some design work on puppets for it. So arrangements were made for Don to look after those puppets necessary for this production. He is presently holding workshops with Mr. Johnson and his cast in the construction and manipulation of the 'Alice' characters.

The play uses live actors but the puppets are used for special effects as 'Alice' shrinks or grows on our way to Wonderland. This requires puppet duplicates of the live characters including White Rabbit, The March Hare, The Door Mouse and The King and Queen of Hearts and their playing card soldiers. Certain characters appear in this version only as puppets therefore this presents additional problems of characterization and maneuverability. They are the Lizard, Hedgehog and Flighty Pidgeon.

His interest in puppets goes back to boyhood days and the fun he had with marionette shows. While in Winnipeg he did a puppet show for the city library which toured the city quite extensively. In his final year at Library School in Vancouver he began doing some work with puppets on the side, and ended up with a full-scale production of 'Beauty and the Beast' which got a tremendous reception. In the course of doing this presentation, Mr. Mills wrote a course for

Continued on Page 2

Puppets

Continued From Page 1

librarian students, which has been adopted as part of the curriculum at the Vancouver school, and with this legacy he left also all the puppets and props for 'Beauty.'

While in Vancouver both Don and his wife Kathy belonged to a puppet guild, and since coming to St. Albert Mr. Mills has introduced a variety of puppet work at the library. A Saturday morning hobby club for kids interested in puppetry has been started, and last week "The Shoemaker and the Elves" was presented four times. A Hallowe'en puppet show was well received. The youngsters do it just for fun and with the addition of a stage and a gradual build up of props and puppets going forward, puppet shows are becoming an integral part of the library's program, encouraging both creativity and story interest for the younger visitors to the library. A Christmas production is presently in the offing.

The Theatre 3 production of 'Alice in Wonderland' will open in the Victoria Composite High School theatre, Dec. 13th and run through till the end of December. From Dec. 13 - 24 it will run Tuesday, Wednesday, Thursday and Saturday at 8:30 each evening. Friday there will be shows at 7 p.m. and 10:30 p.m. and on Saturday and Sunday a 2 p.m. matinee. From Dec. 26 - 31 there will be shows at one o'clock and four o'clock each afternoon

Tickets are on sale at MacAulay Plaza Box Office or available by telephoning the Theatre 3 office at 424-3488. Prices range from $3 to $3.50 for adults and from $1.50 to $2.50 for children, students and senior citizens.

Plans are already in the mill to do 'Wind in the Willows' next year.

Oil Leak

Continued From Page 1

Oil Ltd., the spill areas will be reclaimed in such a way whereby next year crops can be produced on the land contained in the spill sites. After men and equipment have been removed and the repairs completed, a team of experts will analyze the soil, recommend chemicals and fertilizers to thus rejuvenate the land to its former arrable state.

Federated Pipeline officials feel that the breaks, unfortunate as they always are, occurred at about the most opportune time of the year when the ground is frozen and below-zero temperatures assisted in keeping the raw crude from seeping into the ground.

It is estimated that about 116,000 gallons of crude were recovered at each site and this is believed to be over 90 per cent of the total spill. The remaining estimated 10 per cent residue will be burned away and the area rejuvenated.

Shoppers Swap Arts, Craft Sale

"Now you see it, now you don't," was the name of the game at the Clubhouse Friday evening as hundreds of people burst through the doors at 7 p.m. to purchase pottery.

By 8 p.m. the tables, that an hour before held more than 300 pieces of stoneware, were bare and members of St. Albert Arts and Crafts Guild were totalling up a handsome profit with which to purchase additional equipment for the Arts Centre.

"We just weren't expecting such a deluge," apologized members of the sale committee, who also express concern over the bottle-neck at the cash-out table

"That will be remedied next time," they promise and they'll also be looking for a larger place to hold the annual event. Work has already begun to increase the total number of pieces donated for the sale.

A popular diversion from the sale itself was the "Guess the Weight of the Sculpture" contest for a prize of a wheel-thrown candle-holder and candle. Mrs. Linda MacPhee, 61 Mission Ave., came the closest to the actual weight of 44 pounds 7 ounces.

The Guild also wishes to remind persons interested in taking pottery and other classes that the next 10-week session will begin in February. Registration forms will be distributed in January. Anyone wishing additional information concerning classes should call The Recreation Department, Town Hall, 599-6601 or Mrs Lois Folkins, 599-7344.

The tight old landlady brought a plateful of very thin slices of bread and placed them on the table.

"Did you cut these?" asked one of the boarders.

"Yes, I cut them," the landlady replied.

"Good," said the boarder, "I'll deal them without shuffling!"

Town of St. Albert

HELP WANTED

The Town of St. Albert requires enumerators for the purpose of taking the 1973 census.

Remuneration - $40.00.

Application forms may be obtained at the Town Hall and should be completed and returned to the undersigned no later than December 15, 1972.

R. B. Bowen,
Secretary-Treasurer.

Town of St. Albert

Residents of St. Albert and area enjoyed last weekend's presentation of -- "Greensleeves" by the St. Albert-on-Sturgeon Players Performances of this popular play for both, children and adults, started last Friday and Saturday in the Assembly area of Simpson School. Next performances of 'Greensleeves' are scheduled for this Friday, Dec. 7 at 7:30 p.m., Saturday, Dec. 9 will have two presentations, at 10 a.m. and again at 2 p.m. Final performance will be held Sunday, Dec. 10 at 2 p.m. The admission price is still only 50 cents for children and $1 for adults As one of the members of the St. Albert-on-Sturgeon Players said, this is an excellent opportunity for inexpensive babysitting services. Send your children off to see 'Greensleeves,' pay the 50 cents admission fee and your youngsters are entertained for one and one-half hours. Crowds are reported to have been quite good despite last weekend's other activities like the Grey Cup and a local bonspiel. This weekend's four performances should draw larger crowds.

Lady Lions To Hear Noted Speaker Dec. 11

An executive meeting and farewell party for departing member Delores Kambouroff was held Nov. 27th at the home of Elsie Snider. Delores, wife of former councillor Rene Kambouroff has been a loyal Lady Lion for several years, and will be greatly missed by her fellow members. She was presented with a small gold pin bearing the Lion emblem.

Next general meeting of the Lady Lions will be held December 11th at the Purple Dude, commencing at 6:45 p.m. Guest speaker will be Mr. Robert Lucas, executive director of the Canadian Council of Christians and Jews.

Mr. Lucas was for many years connected with the YMCA in an executive capacity. Since assuming directorship of CCCJ he has instituted many new programs notable among them a National Youth Exchange program, involving youth across the country, a Native Youth program involving cultural exchange with many ethnic groups, formation of Youth Councils, and a National Brotherhood week recognized across the Dominion. He is most interested and deeply involved in such other areas as Human Rights, Labour Movements, National Goodwill, and sports activities. He is president of the Alberta Boxing Association and holds an office in the Alberta Karate Association. Overall, his work demands a great deal of physical energy in travels, meetings, consultations and counselling of both adults and youth.

St. Albert Lady Lions are privileged indeed to have the opportunity of hosting such a knowledgeable and interesting speaker, and all members and prospective members are urged to make every effort to attend this meeting.

W.I. Set Dec. 12 For Next Meeting

The Women's Institute held their November meeting at the home of Mrs. Fermin Iseke, Nov. 28 with 20 members and two guests attending.

Before the business meeting, Sharon Taylor showed the members how to work on their project for the evening which was making candlestick holders from discs. This project was finished during lunch and coffee break by decorating the items with ribbons, sequins, ornaments, etc., ending up with very inexpensive but attractive candle holders.

Nora Rouault reported on the tour made by 13 members in November. They visited the Pro-Western Plastic Plant in St. Albert, AGT Building, the FDY Furniture Store, also the Winnifred Stewart School where they enjoyed coffee.

Roll call for the evening was "show and tell" where members displayed interesting easy to make Christmas projects. They also brought gifts for Christmas hampers.

The December meeting will be held at the home of Mrs. Lorraine Moore, 116 Grosvenor Blvd., on December 12th. Roll call will be an exchange of home-made baking.

CARD OF THANKS

Sincere thanks to the St. Albert and District Chamber of Commerce for Honoring me as Citizen of the Year, at a special banquet held recently at the Club Mocombo. Also many thanks to Mary Halwa for the nice introduction, to Mayor Gibbons and Ernie Jamison for their kind words. To all those who had any part in this choice, a big thank you. It's an honor I will cherish all my life. Thanks also to those who sent me cards of congratulations.

Ed Savoie and Family.

It has been said, "It is more blessed to give than to receive." Remember the poor and needy this Christmas by giving to The Salvation Army street Kettles today.

Don LaBelle Accepts Position In Ottawa

I have recently informed the Superintendent and Board of Trustees of St. Albert School District #3, of my intention to resign as chairman and from the Board effective December 31, 1972.

I have recently been offered the position of manager of Information Services with the Canadian Telecommunications Carriers Association in Ottawa and will move to the Capital City in the new year.

It was an extremely difficult decision for me to make, as my wife and I, together with our three sons, have enjoyed the eight years we have resided in St. Albert. We will dearly miss the number of friends and associates we have made in this area and they will long remain in our thoughts.

I would especially like to thank Mr. Vince Maloney, Superintendent of School District #3, the office staff, the principals and teachers and most of all, the Board members, Dave Fraser, Al Gannon, Ernie Howrish and Sylvia Walsh, together with former Board members Dr. Walter Mirlin, Bob O'Hara, Mrs. Sadie Ross and Jack Flaherty, for the pleasure of working with them on school board matters over the years.

I would also like to thank the members of the St. Albert Council of the Knights of Columbus and the St. Albert Parish team for the many assistances they offered me to the many projects we worked on together

My wife and I invite visitors from St. Albert to join us for a cup of coffee or whatever, anytime they happen to be in the Ottawa area.

Donald J. LaBelle,
2 Bellevue Crescent

Urged To Get Involved

The Editor:

In response to No Choice, Readers Comment Nov. 29, may I respectfully suggest instead of having anonymous articles published, that you get involved with, or at least express your views to the various activity groups you criticize. I am convinced that they are open to constructive suggestions, as I am, as a member of the hallow'en committee. The village was canvassed prior to the party at which time you could have made your "choice" if you received orders "to stay at home." The mass majority were in favor of the party.

Mrs. M. J. Ruth.

Around Town

The Syd Booths of #1 Sonora Drive are very excited about the upcoming visit of their daughter Vivianne's visit to Canada. Vivianne is arriving from Poole south of England, Dec. 15 to help celebrate Christmas and New Year's. This is the first opportunity in 15 years that Vivianne and her parents have been together for Christmas. Mrs. Booth says her daughter is "especially looking forward to spending New Year's Eve as a guest of the London Society," her father being past-president and mother now in office as first vice president.

** ** **

Last Friday evening about 30 Scouts from the 5th St. Albert Troop entertained their parents at a candlelight dinner which was prepared and served by the boys. The menu included shepherd's pie, a variety salad, coke and ice cream. The event served as a 'get acquainted' evening for parents as well as the occasion for the investiture of two scouts, Aaron Doepel and Robert Hanke.

How to double your chances of avoiding accidents

"10 STEPS TO SAFE DRIVING"

1. Keep both hands firmly on the wheel — at 10 and two o'clock — and both eyes on the road.
2. Never tailgate — allow at least one vehicle length for every ten miles per hour of speed.
3. On wet, snowy or icy roads, reduce speed well below posted speed limits, depending on the severity of conditions.
4. Always signal intentions — turns, lane changes, passing.
5. Curves require special attention — slow down before entering, then apply power to wheels. Be alert for oncoming cars; they often cross the center line.
6. Never pass on hills or curves. On straightaways pass only when positive the way is clear.
7. Don't drive after heavy drinking. If you have been drinking moderately, allow one hour for each one-ounce drink or beer (12 ounces) consumed, before driving.
8. Keep the car in good operating condition, especially brakes, tires, steering and front end suspension, front and rear lights, mirrors, turn signals, wipers, muffler and exhaust pipe.
9. Always fasten safety belts and lock car doors.
10. Drive defensively: "Recognize the hazard; understand the defence; act in time."

Phase 1 Legislation Reviewed By Premier

"Phase One" of the Progressive Conservative administration was successfully completed with the 1st Session of the 17th Alberta Legislature proroging November 22, 1972.

Premier Lougheed said, "Phase One included five major priorities: Human Rights Legislation, Senior Citizens, The Family Farm, Mental Health and Handicapped Children. Our concerns in these areas are witnessed by the following legislation:-

The Alberta Bill of Rights is the only provincial legislation of it's kind in Canada. The bill deals with the protection of the individual from the power of the state and deals with six basic human rights and fundamental freedoms. Human Rights Legislation was further supported by the Individual's Rights Protection Act which will strengthen the protection of the individual from discrimination by other citizens.

The Senior Citizens Shelter Assistance Act provides an exemption for senior citizens from the 30 mill education levy, or for those senior citizens renting accommodation, a $50 grant.

-A model for Canada - The Mental Health Act will provide an improved quality of mental health services with greater speed and availability throughout the Province, ensuring the mentally ill are no longer treated as second class citizens.

An announcement during the course of the session relieved parents of maintenance costs for mentally handicapped children cared for by the Provincial Government.

The Agriculture Development Act sets up a $50 million fund to provide assistance of both a financial and educational nature with a view to improving the quality of rural life in Alberta and the preservation of the family farm.

Legislation in areas with equally high priority resulted in:

The Alberta Opportunity Fund Act will give a new direction to the economic growth of the province by establishing a $50 million opportunity fund with priority given to small businesses and centers of small population.

The Mineral Taxation Act and The Mineral Taxation Amendment Act implement the government's Natural Resource Revenue Plan, thus bringing added revenue to the Province and ensuring Albertans of a fairer share of our natural resources.

The Workmen's Compensation Act provides for increased benefits to people receiving pensions from the Board. The Credit and Loan Agreements Act provides for consumer rights protection in the area of credit and credit cards. The Beverage Container Act reduces litter problems by making items such as liquor, wine and imported beer bottles returnable and provides for improved depot systems.

A position paper tabled in the Alberta Legislature November 14th confirmed the government's views on multiculturalism and it's importance in our Province.

On November 16th, 1972, Premier Lougheed announced in the Legislature the Alberta Government's statement of New Natural Gas Policies, giving Albertans a two-price system for natural gas.

Mr. Lougheed expressed his thanks to the members of the legislative assembly for their dedication through the spring and fall sessions, and especially to his government team of 48. The 2nd Session of the 17th Legislature will commence February 15th, 1973.

8 Scholarships Offered By CIDA

The Canadian International Development Agency will provide up to eight scholarships next year for Canadians wishing to further their careers in international development.

Candidates must have completed a post-secondary course of studies and intend to pursue a career in development activities. Deadline for submitting applications to CIDA's Training Resources Division is February 15 1973.

Awards may be up to a maximum value of $8,000 a year. The amount of each award will depend on the scope and nature of the proposed study program. Most scholarships will be for two years.

Participation in a formal academic program is not mandatory. However, each of the successful candidates will be expected to spend time studying a development topic both in Canada and in a developing country.

"Quick," said the excited father. "Tell me, is it a boy?"

The nurse tried to break it to him gently. "Well," she said, "the one in the middle is."

Bruins Blast Traders In Weekend Encounter

KELLY McAVOY DAVE LEBECH MARCEL TOURANGEAU

St. Albert Bruins led by the three goal performance of Dave Lebech defeated the Fort Saskatchewan Traders 10 - 4 at the Fort Saturday night. Bruins are now 5-5-1 in league play.

Kelly McAvoy and Marcel Tourangeau also had their best game for the Bruins. Both picked up two goals each with McAvoy adding three assists for a five point evening.

The first period ended in a 1 - 1 tie with Barry Luckyfasser putting the Fort ahead 1 - 0 at 5:06. McAvoy converted a pass from Tourangeau 26 seconds later to tie the score.

In the second period Bruins outscored the Traders four goals to two to take a 5 - 3 lead. Dave Lebech gave the Bruins a 2 - 1 lead at 2:53 with a 40 foot slapshot that caught the corner. Greg Hatch drew the assist. Fort came back with two quick goals from Luckyfasser at 2:53 and 3:21 to take a 3 - 2 lead. The third goal was scored while Tourangeau of the Bruins was off for slashing. Bruins then got untracked and scored three straight goals to take a 5 - 3 lead. McAvoy picked up his second of the night at 7:04 to tie the game and at 12:10 Lebech scored his second to give them a 4 - 3 lead. Darcy Brisson and Rick Burry assisted on Lebeck's marker. At 17:23 Brisson scored the Bruins fifth goal, banging in Dave Lockhart's rebound.

The third period was completely dominated by St. Albert as they scored five goals while allowing the Fort to score only one. Tourangeau gave the Bruins a 6 - 3 lead at 5:29 with Greg McRae and McAvoy assisting. At 12:06 Luckyfasser scored his fourth goal of the night for the Traders. Bruins then took command and McRae drilled in a shot from the point. Tourangeau scored his second at 15:40 with McAvoy and Alex Jensen assisting. Lebech picked up his hat-trick at 16:52 with McAvoy assisting and at 19:21 Ray Gauthier closed out the scoring taking a pass from Doug Ferguson and Gerry Langevin.

The Bruins win may have been costly as starry forward Craig Neeser may be out of action with a broken thumb. It was swollen so bad that x-rays had to be delayed.

Bruins next game will be this Saturday in Sherwood Park. Game time is 9 p.m.

Comets Score Shutout Over Barrhead Sabres

Comet goalie Zane Jakubec recorded his first shutout of the year as St. Albert skated to an easy 10 - 0 win over the Sabres in Barrhead last Thursday.

St. Albert controlled the game from start to finish as they scored two in the first, five in the second and added two more in the final period. Henry Hodgson and Rich Perrault had two goals each to lead the way while singles went to Doug Bell, Ted Rogers, Jim Read, Ron Fournier, Al Laplante and Les Yanchuk. Read also picked up two assists and appears to be on his way to defending his club's scoring title. Wally Monson also had his best night of the year as he set up four scoring plays and just missed scoring a couple

Jakubec faced only 26 shots in picking up the shutout.

Comets are in solid first place in the Edmonton Central League with a record of 6 wins, 1 loss and a tie.

Comets next home game will be this Friday at 8 p.m. against the Westlock Eagles.

Comets only loss of the year was to the Eagles, Nov. 21 when they got beat 6 - 3.

JAKUBEC RECORDS FIRST SHUT-OUT

St. Albert Curling Club Director Ray Osborne presents the Bruin Inn Trophy and trays to A event winner Norm Theuss, Hal Forss, Mickey Westlund and Don McClelland.

Ferguson Leads Barons To Saturday Victory

Gary Ferguson's three goal performance Saturday night led the Sportshop Barons to a 6 - 4 win over Westlock. Barons scored five goals in the first 11 minutes of the opening period to take a commanding lead.

Ferguson scored the first two at 0:15 and 2:20 for an early 2 - 0 lead. Captain Darrell Billsten assisted on both goals before scoring himself at 7:35. Ferguson completed his hat-trick at 8:45 with Gary Bruens assisting. Bob Wallis took a pass from Dale Reinbolt to put the Barons ahead 5 - 0 at 11:20.

Westlock came alive in the second period scoring three unanswered goals.

Both clubs split goals in the final period with Dale Reinbolt getting St. Albert's final goal.

Spiel Set For Dec. 9

Paul Kane is once again sponsoring its school spiel on Saturday, December 9th. Nine schools will be participating in exciting curling from 8 a.m. until 6 p.m.

There are two events with major trophies, provided by St. Albert's Safeway and Macleod's stores.

The curling club members are providing a free hot lunch for about 80 curlers and sponsors.

Participating schools are Ardrossan, Barrhead, Sherwood Park, Harry Ainley (city); Fort Saskatchewan, St. Albert High, Paul Kane, Redwater and Eastglen (city)

The Gateway Building Supply Trophy for 2nd event was won by the Dale Haley rink. Gateway president, Casey Anderson presented the trophy to Haley while Rick Riggins, Larry Zayezierski and Joe Specht look on.

Provincial volleyball champions, standing, left to right: Diane Stoutenberg, Shirley Bokenfohr, Gail Hermanutz, Carmen Gibeau, Sandy Willas, Wendy Sopchuk, Cathy Medland, Linda McGillis, Mrs. Sharon Marchand. Kneeling, left to right: Darcy Brennels, Letitia Sopchuk, Lorna McGillis, Maggie Bourgeois and Faye Brennels.

Rogers Esso Squad Undefeated

Roger's - Grandin Esso are still undefeated in league play winning all five games to date.

Last Wednesday the Esso squad scored a 6 - 3 decision over Premier Esso. Fred Hoeber led the way with a pair while single markers went to Jake Joly, Ross Johnston, Terry Wispinski and Dan Boumeester. Premier got goals from Darwin Schwartz, Cal Swane and Al Beauchamp.

On Thursday Grandin Gulf Blazers moved into second place with a close 7 - 6 win over St. Albert Pharmacy. Blazer scorers were Ken Leibel, D. Darling, Peter Van Brabant, D. Stewart, S. Webb, Dennis Limoges and R. Underschultz. Danny Roberge scored a pair for Pharmacy while singles went to Fred Hesse, Dave Joyal, D. Hagg and Dave Roberge.

Commercial League standings as of Dec. 5th:

	P	W	L	Pt
Esso	5	5	0	10
Gulf	6	4	2	8
Pharmacy	5	3	2	6
Kinsmen	5	2	3	4
Premier	6	2	4	4
Power Kegs	5	0	5	0

St. Albert High Girls Win Volleyball

This past weekend the St. Albert High senior girls volleyball team travelled to Camrose to compete against nine other schools in the Provincial "B" Volleyball Championship and after a full days play the girls from St. Albert proved to be the best in the province.

They returned home with the Alberta Schools Athletic Association Trophy and in so doing provided St. Albert High with its first ever provincial championship trophy

In sectional play the girls had wins over Crescent Heights of Medicine Hat (the winner for the past four years), Queen Elizabeth of Calgary, St. Francis Xavier of Edmonton and Ponoka. In semi-final play St. Albert defeated Okotoks and then defeated Camrose in the final match.

The coaches, Mrs. Sharon Marchand and Mrs. Diane Stoutenberg, were extremely pleased with the girls' performance in the tournament and felt that the whole weekend was a great success

The girls and coaches were congratulated at a general assembly of students on Monday morning by Mr. R. Johnston, principal of the school and Mr. D. LaBelle, chairman of the Board of School District #3.

Tim Wilson of the Mite 'B' Warriors scored all four goals last Sunday when they defeated the Sturgeon Electric Colts 4 - 0. Todd Milton, goal tender for the Warriors preserved the shutout in what turned out to be the Warrior's second game and second win of the season.

CURLING

The St. Albert Men's Curling Club saw the wind-up to their annual open bonspiel Sunday, Dec. 3 with some very fine curling being displayed in the finals.

This 64 rink, nine day event was made more exciting by a Calcutta Auction held Friday, Dec. 1st in the club's Friendly Giant Inn. The auctioneer was Mr. Ernie Williams, assisted by Mr. Don Devolder, both from Stony Plain.

A donation of $50 will be presented to the Retarded Children's Fund on behalf of the two auctioneers in appreciation of their very capable assistance in making this year's Calcutta such a smashing success.

A event was won by the Norm Theuss foursome, B event by the Dave Haley rink, C by Remi Boddez and his rinkmates while the D event was captured by the Jim Lockhart rink.

The Men's Curling Club executive wish to thank all those who participated in making this a most successful bonspiel.

Snowmobile Deaths Decline Slightly

During the winter of 1971-72, the number of fatal snowmobile accidents declined by 8.9 per cent and the number of deaths dropped by 1.7 per cent. The Canada Safety Council's national report on snowmobile accidents just released warns that these small decreases are no reason for any complacency. Bruce J. Legge, Q.C., President of the Canada Safety Council points out that in real numbers, fatal accidents are down from 112 the previous year to 102 last winter while deaths are down only by 2 from 118 to 116 -- hardly reason to believe that the problem is being solved.

Over half of the fatal snowmobile accidents involved collisions with other motor vehicles (cars, trucks buses and other snowmobiles) while almost 15 per cent were the result of breaking through the ice on lakes and rivers or running into open stretches of water.

Sixty-seven (65.7%) of the fatal accidents occurred on public roads. Another 20 accidents occurred on lakes and rivers (15 of these accidents resulted in 24 drownings), and 13 accidents happened on private property, including eight on railway tracks.

Sixty-nine fatal accidents took place at night while 24 occurred during daylight hours.

Ninety-six out of the 116 fatalities were drivers, 17 were passengers and three were pedestrians. The operation of snowmobiles on public roads is still the major hazard as 66 people were killed on the roads; 40 on secondary roads, 19 on municipal streets and seven on the highways. The Canada Safety Council encourages and supports Provincial Governments and Municipalities in prohibiting the operation of snowmobiles on public roads.

Remembers Unfortunates When You See 'Kettles'

The wonderful sounds of Christmas, the Christmas carols, people rushing to and fro doing their shopping, friends come to call, the beautiful Christmas tree and cards from our many friends all combine to make the joys of the season a precious reality.

To many folk less fortunate, this kind of Christmas is but a dream. Shutins, hospital patients, inmates of our prisons, the homeless destitute man and women on our streets, the low-income family without the necessities to make a happy Christmas.

The Salvation Army knows where these folk are. This year, as in others, they will seek them out and make their dream of Christmas come true. Why not help The Salvation Army with their task by sending your donation to The Salvation Army Christmas Cheer Fund Headquarters, Room 601 - 9990 Jasper Avenue, Edmonton 15, Alberta, or by dropping it in the street Kettle as you pass by. Thanks for giving to others!

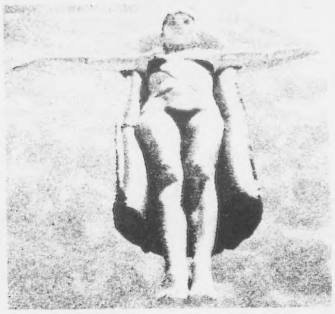
A Sunflight Holiday.



Sunflight is not an airline, not a charter, but a complete holiday.

A good one.

Which includes everything from flight down to hotel to flight home. And we help with a lot in between.

You'll notice we said help, not organize.

So if you want a tour, fine, we'll help arrange one. But if you want a sleepy-lonely beach, fine, we'll help find one.

And our representative will steer you to all sorts of great things only a resident would know about. Like the best Mango ice cream in Nassau. Or the most magnificent fire-fly display in Jamaica.

Or how much is too much to pay for this. And how much is too little to tip for that.

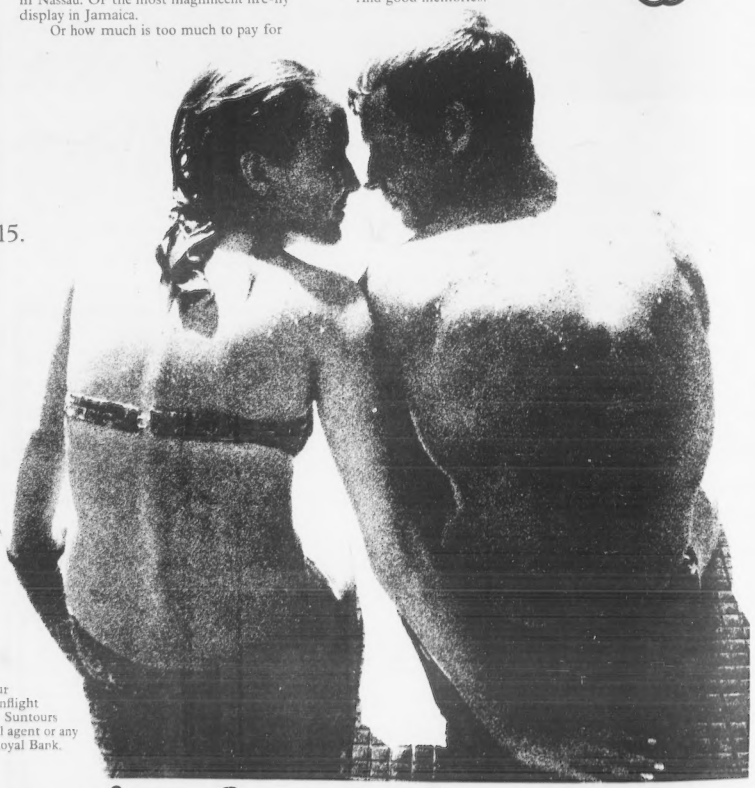
We started helping with holidays 10 years ago. Since then we've become the largest holiday planner in Canada. Affiliated with the country's largest bank, the Royal Bank.

That's why we can offer you a free 32 page brochure. And that's why we can carefully select the people who become Suntours appointed travel agents and representatives.

And that's why each year thousands of of Canadians leave home with us, stay with us, and come back with us. With good tans.

And good memories.

Acapulco. 2 weeks from $474.
Bahamas. 2 weeks from $389.
Hawaii. 2 weeks from $329.
Jamaica. 2 weeks from $455.
Mazatlan 2 weeks from $315.



You can get your free 32 page Sunflight brochure at any Suntours appointed travel agent or any branch of the Royal Bank.

A lot more vacation for a lot less money.

College Seminar Studies Adult Illiteracy Problem

There was something for everybody last month at the Grant MacEwan Community College three day seminar on Adult Basic Education. The seminar, held in Edmonton's Jubilee Auditorium attracted more than 85 educators, social workers and government representatives from throughout Alberta and the Northwest Territories.

They came to find out what could be done about the problem of adult illiteracy and when they left they not only had the assurance that more and more people are becoming concerned with the problem, but they had also had the opportunity to speak to publishers and find out what they could do to battle the problem now, before and substantial part of government money has been thrown into the fight.

The seminar followed news reports that between them, Alberta's two largest cities, Edmonton and Calgary, share 20,000 adult illiterates who place a strain on both unemployment insurance funds and welfare roles. Dr. Eric Robinson, director of Continuing Education for the college argued that the cost to the taxpayer for unemployment insurance and welfare could be reduced if money were put toward adult basic education now.

Robert Schimmel, president of the Edmonton Labour Council brought a note of controversy to the panel discussion held Friday, when he accused management of being, "Afraid to give unions any information on what is going on - what is needed in the field of retraining. If we knew what management wanted we could begin retraining workers," he said. He argued for a greater voice for labour in educating workers in cooperation with management but said it was of little use to retrain one man to take another's job.

Lloyd Bossert, Community Services Director for Grande Cache shocked his audience when he argued that, "I know right now that we're going to have to go to Europe for technicians because four years of training in NAIT or SAIT is too long -- we need the people now. The needs of industry aren't being looked at closely enough."

He asked delegates to question, "Whether the school system is giving us what we want -- in Grande Cache we've put all sorts of money into physical development without taking into account the over-all needs of people."

Jack Perry, of the Department of Advanced Education in Slave Lake agreed that the school system is part of the problem.

"We should change the role of the public school system -- that's where drop outs occur. Schools aren't doing their job; if they were, I wouldn't have a job and I'd like to see that," he said. He opted for increased attention to the problems of creating a good attitude on the part of the student because, "all the technical aids in the world are no good if we can't do that."

Eric Robinson, director of Continuing Education for Grant MacEwan Community College indicated after the discussion that he was pleased, "that the seminar has given people a chance to exchange ideas and make them aware that they are not alone in fighting this problem."

Action Group Hears Consumer Expert

On Tuesday evening, Nov. 28th, a group of St. Albert consumers met in the Clubhouse to hear a talk by the consumer consultant for the Department of Consumer and Corporate Affairs of the federal government, Mrs. Sally Merchant. The evening was arranged by the St. Albert Action Committee of the Consumers' Association of Canada.

Since the local group was formed only within the past year, Sally Merchant informed those present about some of the background of the beginnings and functions of her department, before going on to a question period.

This department was formed in 1968 because an imbalance had been noticed between the two sides of the market-place -- the buyers' side and the sellers' side.

Mrs. Merchant emphasized that equilibrium was the aim, and concern for the consumer interest will not extend to over-protection. The Bureau of Consumers' Affairs encompasses functions formerly handled by various departments but all related to the buying of goods or services: such as grading and labelling of foods, weights and measures regulations, retail inspection of agricultural products, and electricity and gas inspections.

The Bureau of Corporate Affairs handles bankruptcy laws and the combines regulations. There is also a research branch.

Achievements to date include the Hazardous Products Act, the Textile Labelling Act, and new applications of the Bills of Exchange Act to protect credit buying. There is occasional public pressure toward over control in some areas, but we, as buyers can protect ourselves from obvious consumer hazards, inform ourselves about quality, and accept responsibility for our own bad choices.

Sally Merchant can serve us consumers in two ways. She can provide information on regulations related to consumer problems and product standards. And she will investigate and act on legitimate complaints about products or services that are not satisfactory, or that are not satisfactorily handled by the seller. The aim is to protect the consumer's right to value for money, to make valid choices and to receive a safe product.

Mrs. Sally Merchant can be reached at the Department of Consumer and Corporate Affairs, phone 424-0251, Edmonton. Information about the St. Albert Action Committee of the CAC is available by calling Mrs. Joanne Symonds at - 599-7847.

WHICH IS THE MOST POPULAR CUT? About 1475 a Belgian diamond cutter by the name of Van Berquem made astonishing discoveries about the spacing and placing of facets to produce brilliance. His work has been the inspiration for today's cutters who are able to give the diamond more brilliance than ever before by using exact mathematical formulas. These are the principal shapes used today: 1. Emerald; 2. Round cut called a brilliant; 3. Oval cut; 4. Pear; 5. Marquise; 6. Heart shaped. Which is the most popular? Round Cut.

What's in a Yukon name?

Destruction Bay, Yukon, got its name because so many boats were wrecked during the gold rush of 1898 as they rounded the point of the bay on Kluane Lake.

* * *

Old Crow, Yukon, 75 miles inside the Arctic Circle, derives its name from an Indian Chief, Te-Tahim-Gevtik, that means "Walking Crow". Following the chief's death in the 1870's, his people named the river, mountains and general hunting area "Old Crow."

* * *

Carcross, 45 miles south of the capital city of Whitehorse, Yukon gained its name from an abbreviation of "Caribou Crossing", the name the Indians gave the settlement because of the tens of thousands of caribou that used to migrate across the narrows between Bennett and Tagish Lakes.

Drilling industry offers employment

The Oilwell Drilling Contracting Industry has recently announced an increase in wage rates for employees working in the Industry. The new hourly rates became effective November 1st, 1972 and are as follows:

Driller—$6 per hour. Derrickman—$5 per hour; Motorman—$4.50 per hour and Floorhand $4.20 per hour.

For a normal work week on a drilling rig the gross pay for a Floorhand will amount to $260. In addition the Industry will also provide travel and subsistence allowances to employees who qualify as follows; on non-camp jobs a daily allowance for travel and subsistence of $15 per day; and on a camp job, where transportation is not provided, an allowance of 15c per road mile based on mileage and the shift schedule worked.

The Industry has job and promotion opportunities for both experienced and inexperienced men who are mechanically inclined and who like outside work activity.

During the peak periods of drilling in the Province from December through March, the Industry will employ approximately 3,000 men in Alberta. Crew members may receive time off when the well is completed, or on deeper wells, time off is based on a schedule of crew rotation.

Men who enter the Industry and who gain experience may qualify for promotion to higher job levels and income. Fully experienced men are eligible for employment opportunities in other segments of the Petroleum Industry including work on offshore rigs and in foreign countries.

Men who are interested in the employment opportunities are encouraged to contact their local Canada Manpower Centre offices or the Oilwell Drilling Contractors listed in the yellow pages of the Calgary and Edmonton telephone books.

Joint-Use Meet Set For Dec. 12

The annual meeting of the parties to the Joint Use Agreement will be held in the Council Chambers, Town Hall on Tuesday, Dec. 12, 1972 at 7:30 p.m.

Reports will be presented to the town and the school districts on the implementation of the Agreement during the past year.

ATTENTION VOLKSWAGEN OWNERS

We repair, sell, exchange anything you need for your car. Motors, transmissions, rear ends, tires, wheels, all body parts, glass, batteries. We can go on and on. Whatever your needs are we have it.

The Federated Pipeline repaired artery is in the process of being back-filled. This deep hole is where the line ruptured and emitted raw crude which ultimately flooded an area of about 2 1/2 acres about half-a-mile east of Morinville. The two men in the background are Jim McKay left and John Antoniuk, foreman of the job.

ST. ALBERT RECREATION HIGHLIGHTS

TEEN ACTIVITY NIGHT:

Parents are reminded that their assistance in supervising activities in Sir George Simpson Junior High School is absolutely essential if this sport night, which is held on Thursdays, is to continue.

Under the terms of the Joint Use Agreement, the accommodation and equipment are provided but the activities and the school MUST be adequately supervised.

This sports night is a chance for the 13 years of age and over to play basketball, volleyball and table tennis and the young people who attend on Thursday last seemed to thoroughly enjoy themselves. But apart from the usual few, parental supervision - or offers - was sadly lacking.

The hours are now from 7:30 - 10 p.m. and parents willing to supervise are asked to phone Mr. and Mrs. Wright at 599-7572 or the Department of Recreation at 599-6601.

POWER SKATING:

Registration for all levels of power skating will take place in Robert Rundle School on Saturday, Dec. 9 from 10 a.m. - 12 noon.

SQUARE DANCING:

Last Saturday, the St. Albert Saints and Sinners attended the annual toy dance sponsored by the Edmonton and District Square Dance Association in Ross Sheppard High School. A toy was the cost of admission and the many toys collected will be distributed before Christmas.

ST. ALBERT SINGERS:

The Singers, under the direction of Don Goodwin, are now meeting in Albert Lacombe School on Monday evenings at 7:30 p.m.

Education Minister Unveils Bus Study

Education Minister Lou Hyndman this week announced four terms of reference within which the Department of Education study of pupil transportation would be conducted.

The study, to be completed by Fall, 1973 is expected to provide an accurate description of all aspects of existing transportation services provided to Alberta pupils. The information will provide the basis of a revised transportation financing formula.

Mr. Hyndman indicated that the study should provide bench-marks to monitor the effects of inflation and identify seasonal variations in costs with a view to providing an equitable, realistic and economic pupil transportation system.

The current financing arrangements under the School Foundation Program Fund are closely tied to the 1969 expenditures of school boards.

Mr. Hyndman specified the following terms of reference:

*Local autonomy of boards within overall government guidelines should be fostered;

*Financing proposals should require a minimum of on-site departmental monitoring;

*The study should review "walk limits" of pupils to provide guidelines for equitable levels of government funding, based on comparable standards of service;

*Costs incurred for transportation for school extra-curricular activities should remain a local responsibility.

"Opportunities will be provided for involvement of trustee and teacher associations and others after the preliminary data have been collected but prior to the submission of final recommendations," Mr. Hyndman said.

Leon Cherot Returns Home

A native son has returned to St. Albert after an absence ok about 25 years. Leon Cherot, who was born and raised here was appointed recently, manager of Meltons Real Estate Ltd., located at 192 St. Albert Road.

Mr. Cherot was born and raised on his father's farm located on the St. Albert Trail. He farmed there with his father and brothers until 1947 when he decided to enter the business world.

First he went to Cadomin then moved to Vegreville until 1970 when he joined the staff of Meltons Real Estate Ltd. As a successful realtor, Mr. Cerot advanced rapidly until his recent appointment as manager of the St. Albert branch of the Melton firm.

"It's like coming back home," Mr. Cherot said, "and my wife Margaret and I plan to make our home here."

This photograph doesn't signify much, excepting that it shows how a $1.5 million hotel is started. Believe it or not, these footings will bear the brunt of Sam Shapiro's luxury hotel presently under construction on St. Albert Trail and scheduled to be completed by mid-June of 1973.

Gibbon's Arena Meet

A public meeting of utmost importance will be held Monday, December 11 at 8 p.m. in the Gibbons Community Hall. The topic of discussion will be the proposed Sturgeon Arena.

Anyone interested in this matter and wishes to participate in the plans of such an arena project is most welcome to attend.

Share your Christmas blessings with those less fortunate – help The Salvation Army Christmas Cheer Fund today. You can give by mail - Room 601 - 9990 Jasper Ave., Edmonton 15, or in the street Kettles downtown. Let's keep those kettles boiling!

by Mona Acker,
PSS Director,
Town of St. Albert.

Congratulations are in order to those brave souls who applied to sit on the Preventive Social Services Board for 1972 - 1973 for theirs is not an easy job. What motivated them was surely not fame and fortune. Could it be that their reasons were as numerous as their numbers and too complex for a simple explanation? Perhaps, though, some may be easily explained. An examination is in order.

Some of the many possible motivations include concern for the well-being of St. Albert citizens, idealism, desire for funding for pet program or concern for how tax money is spent. These are generally understood to be socially acceptable. But are they acceptable to the citizens of St. Albert when their expression leads not to a promotion of the Preventive Social Services program or healthy questioning but to alienating those volunteers who are putting time, and in many cases money, into ensuring viability of programs designed to promote health and a good life.

I have heard people say their role on the Preventive Social Services Board will be, if appointed, the "watchdog of the taxpayer." This implies that all other Board members are irresponsible and unconcerned with the money allocated toward helping programs operated by St. Albert citizens. What we need is not suspicion but honesty and openness. I, as director need a team effort to make Preventive Social Services work for us in St. Albert. This team is made up of us, all St. Albert residents. The team is the Preventive Social Services Board which carries the ultimate responsibility for decision making, citizens who take an interest in their neighbors and me.

My job is to make your jobs easier. I help you find out what needs to be done, in essence, where are the gaps in programs. I can assist you in developing your program and finding the money to do it with.

Your Preventive Social Services Board members are: Mr. Rich Bailey, 599-5372; Mrs. M. Davis, 599-7828; Mr. Ron Gaunce, 599-8396; Mrs. Barbara Munro, 599-8009; Mr. R. Myrthue, 599-7834; S/Sgt. J. Roy, 599-8810; Mrs. Gloria Stacey, 599-4897; Mrs. Hennie Stibbe, 599-8064; Mr. Dave Thomas, 599-8230; Mr. Ray Gibbon, Mayor, 599-7614; Councillor deBruijn, 599-7424.

WHERE DO WE GO FROM HERE? We are now assisting Homemaker Services, a Day Care Centre, and Mothers' Day Out programs. For 1973 we are looking at Meals on-Wheels, a Safety Council and a Thrift Shop with which to begin. Besides these, there are many programs we have helped but which require no Preventive Social Services money.

PREVENTIVE SOCIAL SERVICES MEETINGS OPEN

Starting with the regular Preventive Social Services Board meeting on Thursday, December 21 the public is invited to attend all regular meetings. These are usually scheduled for the third Thursday of the month and held in the Council Chamber at 7:30. If you wish to express an opinion, present a program proposal, or otherwise be heard, contact any Board member or me, Mona Acker, Preventive Social Services Director at 599-6601.

Watch the Billboard column in The Gazette for meeting notices.

Conundrum of the day: The weaker sex is the stronger sex because of the stronger sex for the weaker sex.

Local Safety Council Reviews Town Hazards

At its regular meeting the Safety Committee, under the chairmanship of Gord Goodman, discussed several areas of concern to residents of St. Albert. One item discussed at some length was the problem of several hills being used for sled, toboggan and crazy carpet slides. Three areas considered particularly hazardous were: the Seven Hills in Mission Park, the Sturgeon River Banks and the hill adjacent to Sir George Simpson School. A number of accidents have occurred in these areas in the past. It was noted that toboggans and crazy carpets careening down the river bank could easily cross the path of a high speed skidoo if these are permitted to operate on the river within St. Albert.

The problem of parking at the shopping centre was also discussed. Concern was expressed for the general confused state of parking and there will be more information on this topic at a later date.

Mrs. Joan Gaunce reminded the committee that various poisons within the home result in large numbers of fatalities each year. Among the more frequent offenders in this category are: Aspirin and other pills, various cleaning substances and detergents, and toxic plants. The Poinsettia, a plant commonly found in homes during the festive season, has leaves that are highly toxic.

The Water Safety Committee is proposing a Water Safety Instructor's Clinic early in the new year. The purpose of the clinic would be to offer training and/or examination in the following: Water Safety Junior Leader; Water Safety Instructor; YMCA Instructor; RLS Bronze Medallion.

The program would be open to anyone meeting age and proficiency requirements.

Snoopy says, "Remember this is Safe Driving Week."

Lions Band Ready For Dec. 12 Concert

The first fall performance of the Lions Community Band and Majorettes will take place at St. Albert High School on Tuesday, December 12 commencing at 7:30 p.m.

It will be a combined concert with Father Jan Junior High School and will feature both sections of the Band, senior and beginners, as well as the majorettes. Included in the school portion of the concert will be Father Duchesneau's Spice group of 130 voices as well as individual performances of song and dance and a skit by the Drama Club.

Everyone is welcome to attend an hour and a half of first class entertainment A silver collection will be taken.

"Why, of course I'll have my chauffeur pick you and Mom up and drive you down to the welfare office, Dad. After all, what are sons for?"

ANNOUNCEMENT

Roger Garlepy, 35 Geneva Crescent, has decided to enter his name in the forthcoming election for the vacant Town Council seat. Roger is 49 years of age. He and his wife Marilyn, have lived in St. Albert for the past eight years. They have eight children.

Roger is employed as a Laboratory Technician with Sherritt Gordon Mines in Fort Saskatchewan. He served with the Royal Canadian Air Force as a pilot from 1942 to 1945.

Roger is a very active member of the St. Albert Lions Club, having been Chairman of the Little League Baseball this past year. Roger's concerns are those of most of us who choose to live in St. Albert.

1. The preservation of the good things of St. Albert life.
2. The realistic development of our town within desirable limits.
3. Considerate attention to all groups and segments of our St. Albert society.

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS OPINIONS

Farmers Urged To Study New Income Tax Legislation

Comments by Wally Klatt, District Agriculturist.

Farmers are advised to get copies of the publications that are available on the new tax rules and to study carefully those that pertain to him.

The new income tax act, which came into effect in January, introduces considerable changes in both terminilogy and the method by which taxable income is computed.

Although many farmers will not have direct contact with the new tax provisions until they file their income tax returns for 1972, the decisions that they will be making during the present year could have a considerable influence on their tax positions for this and subsequent years. In fact some decisions concerning changes in the organization of farm operations could have very serious and irreversible tax implications.

The following bulletins explain specific parts of the new tax act: Capital Gains, Partnerships and Corporate Tax Guide, Valuation Day, Basic Herds.

Copies of any of the above publications can be obtained from the Taxation Distribution Centre, P. O. Box 8489, Ottawa, Ontario K1G 3L5, or the Edmonton Taxation Office.

A NOTE ON VALUATION

Valuation Day was established in recognition of the fact that a capital asset held at the start of the new system might have a fair market value significantly different from its original cost. A current value is established for such assets which may be used as a substitute cost in measuring a capital gain or loss when the assets are sold. No tax will be assessed or losses allowed for any capital gain or loss which arose before the new system began. Two Valuation Days were established:

*December 22, 1971 for publicly-traded shares and securities, and

*December 31, 1971, for all other types of capital property.

The taxpayer is not required to establish or report a Valuation Day value for any property until the property is disposed of. However, it may be several years before the property is sold or deemed to have been disposed of on the death of the taxpayer. As time passes, it will become increasingly difficult to establish such a value. Properties should therefore be valued shortly after Valuation Day and that value maintained on your files until the property is disposed of.

ESTABLISHING VALUES ON YOUR FARM PROPERTIES - There are four properties which should be valued on the farm:

1) your farm (land, buildings and other improvements as a unit)

2) your basic herd

3) your farmhouse

4) and farm machinery where you may expect to receive proceeds of disposition greater than the purchase price.

The farm as a unit can be valued in several ways, and can be done either by the farmer himself or by a professional appraiser. Perhaps the easiest way is to note the sale price of farm property in the same area and similar to your own. A comparison of his municipal assessment and yours should give you a fair indication of how the price he received would compare to the price you could receive on disposition.

Municipal Assessment of farm sold - amount received for farm per acre sold
Municipal Assessment of your farm - fair value for your farm per acre.

If you receive any legitimate offers to purchase your farm, you should have it in writing and filed in a safe place. Keep records of all farm sales that occurred in the last one or two years as well as those in the next two years. Note your farm characteristics such as productivity, acres cultivated, property tax assessment, income, land use, improvements (water, power, gas, telephone), and any home repairs made.

The location of your farm can have some bearing on the value of your farm. For example, a location near the city limits of an expanding city might result in a higher valuation. The location must have some bearing on prices and you must be able to support in writing a value higher than productivity. Prices received for small parcels of land will be discounted somewhat when applied to the sale of a larger area. For example, the price received on the sale of a 40 acre parcel cannot be multiplied by 16 to establish a price for a whole section. You will get less for the whole than the sum of the parts. Sales of property in the area will be helpful in substantiating prices influenced by location.

Any other special circumstances which might influence the value of your farm must be considered. For example, a railroad right-of-way or a slough would mean a lower value on your property than on your next door neighbor's who has neither of these.

You have to document your evaluations to the satisfaction of the Income Tax Department. Hence, it's up to you if you want to do it yourself or hire a professional appraiser. Check the credentials of the appraiser to ensure he is in fact a "qualified appraiser" as laid down by the Professional Appraisers' Association.

As the Act stands now, professional appraiser fees for establishing a Valuation Day value are not deductible. However, appraiser fees incurred at the disposition of the farm are added to the adjusted cost base.

Your basic herd should be valued as of December 31, 1971, and a record kept. Livestock market sales for days close to Valuation Day will give you adequate proof Any exotic or rare breeds should be valued separately from the commercial herd.

While you will not be taxed on any capital gains realized on the sale of your principal residence, it is important that you have a value for it. An option is available to farmers when disposing of a farm including a principal residence (which necessitates a Valuation Day value).

Farm machinery ordinarily does not appreciate over its original cost. However, if you own a machine (at December 31, 1971) on which you have been claiming capital cost allowance by the straight line method and expect to dispose of that machine and realize a capital gain, you should have the original cost of the machine documented. If you have been claiming capital cost allowance by the diminishing balance method you should also document the valuation day value. A farm implement dealer should prepare in writing what he would expect to receive from the sale of the machinery, not what he would give you in trade. Capital gains made by disposition of machinery are subject to tax. Recapture is subject to tax if you are on the diminishing balance method.

Any reasonable value will be accepted by the Department of National Revenue. The most important thing for you to do is have as many written documentations to support your value as possible. If the value is ever questioned, the onus is on you to substantiate it. The more pieces of proof you have the easier this will be.

Acknowledgement is paid to Bob Lyons, D. A. at Pincher Creek for most of the above information.

Development Association Offers Education Series

An organizational meeting for the upholstery course will be held in the M.D. Building at Morinville, Monday, December 18 at 1:30 p.m.

People who have submitted their names as well as any others who would like to take the course are asked to attend.

You are asked to bring rug drapery, and wall covering samples to help in the color selection of the upholstery fabric you require.

Come prepared to pay for one-third cost of the upholstery fabric (anywhere from 10 to 15 dollars).

Times and dates for the course in the New Year will be discussed as well as a list of supplies to bring.

Marketing Council Slates Hearings

Public hearings will be conducted by the Agricultural Products Marketing Council on January 19, 1973 at 9:30 a.m. at the Holiday Inn, Edmonton.

The last day to submit notice of intention to file submission is December 15 and January 10 is the last day to submit two copies of written submission.

Procedure:

1. Hearings shall begin promptly at 9:30 a.m.

2. Where time is limited, the Council reserves the right to hear only those who have filed with the Council a notice of intent and two copies of the written submission.

3. Where a written brief has been submitted, the person or organization submitting the brief may vary or expand upon the brief in oral presentation.

4. Where time permits, persons or organizations who have not submitted a notice of intent or who have not submitted a written brief may speak to the hearings for a period not to exceed 15 minutes.

5. After the oral presentation of each participant, there shall be a period of 20 minutes reserved for members of the Council or any member of the audience to ask questions or request clarification of points made by the participants.

6. There are a number of previous studies available, and persons who require background information to assist in preparation of their submissions should contact:

Mr. P. D. McCalla, Head Horticulture Branch, 9718 - 107 St., Edmonton, Alta. OR Dr. A. O. Olson, Director, Brooks Horticultural Research Centre, Brooks, Alta.

Notice of intent to File Submission forms are available from the District Agriculturist's office.

Publications

The following are available from this office. Indicate the ones you require by a check mark and mail the clipping to the Department of Agriculture, Box 510, Morinville, TOG 1PO.

Before You Buy Shop Carefully

By Pat Prymak,
District Home Economist

BEFORE YOU BUY

What do you consider when you are buying household equipment? A range should have a life span of 16 years, so essentially you are looking for something that either you will enjoy or have to put up with for 16 years.

Every major appliance decision should involve family discussion, Mom and Dad should work out details as to how the cost will fit into family spending. Children should be included in the discussion for they can gain valuable money management experience regarding the advantages and disadvantages of a proposed purchase.

AN EDUCATED CHOICE- Check at least two or more places where appliances are sold. Acquire information on price, performance, materials used, workmanship, size, shape, regular and special features.

COMPARE SPECIAL FEA
COMPARE SPECIAL FEATURES

Every brand has several models which var from "low end of the line" to "top model." The price generally moves up from model to model with extra features with each increment. The benefit of special features such as "No Frost" or "Self Cleaning" exceed the extra cost involved. If you can afford it LOOK objectively at special features. Many appliances are purchased on the worth of a special feature, which if it is used only occasionally, is not really worth the extra expense.

INSTALLATION NEEDS - Before you shop measure available space where equipment is to be placed AND do not forget to measure the door or staircase the appliance might need to be moved through.

Ask yourself if your water supply and your disposal system are adequate to handle? Will the equipment demand special wiring?

DEALER - The dealer may be the man of the hour. His reputation for honesty and dependability is a must. He should have a thorough knowledge of construction, installation, operation and service each appliance he sells. A reputation for good service is essential as the more automatic features an appliance has. Dependable brands very often save money to say nothing of inconvenience.

CONSUMER REPORTS - do comparisons of major appliances. These are useful to check to see how the different brands compare. Calgary Power Ltd. at Box 1900, Calgary 2, have an excellent series of publications on buying appliances, through their Home Service Department.

Anyone can write for them You can also feel free to write (Box 510) Morinville, or phone my office for appliance information 256-3351.

GUARANTEES -- Read them carefully to determine what protection is offered. Will the warranty cover labor? parts? How do you report equipment failure?

THE DECISION - Your choice in appliances can represent years of good service or years of frustration. It pays in dollars and satisfaction to be an informed buyer!!

The American farmer's red bandanna evolved back in the dangerous days of clearing the land. The farmer's wife used to send him out to the fields wearing a red handkerchief or flag so she could keep an eye on him throughout the day.

Morinville Bids Farewell To Les Filles de Jesus

By Rose Martel

Sunday, November 19, was a very nostalgic day for the community of Morinville.

Religious and civic leaders as well as citizens young and old united to say adieu and farewell to members of the congregation of "Les Filles de Jesus" after 68 fruitful years teaching in the community. For many years the congregation was in charge of a boarding school for girls and boys 12 years and under.

Actually thousands of children, not only from the town and district, but as far as California, B.C., North West Territories, Saskatchewan, Calgary, Red Deer and the Peace River country had their basic values instilled by members of the congregation, who taught grades 1 - 12 in both languages, and who scored high honors for years in French competitions and choral groups. Others branched out in the arts and music, and others have contributed much in the field of education, as members of the clergy, politics, and the professional world.

The program began with a Thanksgiving Mass, by Rt. Rev. Raymond Roy, Bishop of St. Paul, assisted by Most Rev. Henri Routhier, a former pupil of the congregation, who delivered the Homily with words of wisdom and gratitude. Rev. Father George Primeau, Rev. Louis Viel and Rev. Antoinne Tetu also of St. Paul were present. This was followed by the formal benediction of a bronze plaque, a memorial to members of the congregation. The choir was under the direction of Miss Karen Weston and the organist was Mr. Norman Chalifoux.

CROWD OF 500

Following the church ceremony, in early afternoon, the Appreciation Day program was held in the Morinville Recreation Centre. A capacity crowd of some 500 gathered to honor the 45 members of the congregation, "Les Filles de Jesus" headed by Rev. Sister Gabrielle Fortier, Provincial Superior.

Rev. Sister Germaine Boivert, a native girl of Morinville, who has been a dedicated elementary teacher in Alberta, including Notre Dame for many years, before her retirement, was also remembered by pupils. She was presented with a bouquet of carnations and received a standing ovasion from the assembly. She thanked everyone in a few words for remembering her.

Mr. Matt Tellier was master of ceremonies. Choral singing, by the French and English elementary classes, was under the director and accompanied at the piano by Lucille Mandin and Annette Majeau, local teachers. Mr. Alphonse Nobert, secretary of the MD of Sturgeon, delivered the French historic address, and Mr. Paul Chalifoux of St. Albert outlined in English the history of the congregation in Morinville.

This was followed by a heart-felt address of gratitude, on behalf of the citizens of Morinville, by Mayor Art Stapleton, who also made the formal presentation of the memorial plaque to Sister Superior. Mr. Roger Vansevenandt, chairman of the St. Jean Baptist Church council, thanked the sisters for their contribution to the parish, and presented an engraved scroll to Sister Gabrielle Fortier. Mrs. Ann Kryskow, followed with a large framed picture of the building, on behalf of the local school board.

"THANK YOU"

Rev. Sister Gabrielle Fortier, thanked everyone for the presentations and on behalf of all the congregation and her fellow sisters, she thanked everyone for the opportunity of meeting once again in Morinville, where she had been a student, then a high school student, and later came back to teach, before assuming other responsibilities in the congratulations.

His Excellency, Raymond Roy, recently appointed as bishop of St. Paul, to which Morinville now belongs, stated that it was his first official visit to Morinville Although the occasion was not a happy one, to bid farewell to a group of sisters who had dedicated 68 years of love and labour in the parish of Morinville, he was glad to be present, to extend to each one of them the gratitude of the church for the Sisters' contribution, in both moral and culture, to countless individuals now scattered nearly all over the globe today.

Rev. Father George Primeau, pastor of St. John the Baptist in Morinville, was the last speaker, and again in a few well chosen words thanked the bishops, Roy and Routhier for attending the memorable occasion. He also voiced his own personal, as well as the thanks of all the parishioners of Morinville, for the spiritual as well as educational high standards that the Sisters had set in the community, during their long stay.

The concluding rendition by the Georges P. Vanier High School choir was presented under the direction of Miss Karen Weston with Miss Carmen Boissonnault at the piano. Hosts for the occasion were Mr. and Mrs. Norman Chalifoux, with the help of a large group of volunteers from the community under the patronage of the Morinville church council.

An informal tea hour followed, where many family groups were re-united with members of the congregation from various parts of Alberta.

ACKNOWLEDGEMENTS

The Gazette wishes to acknowledge the co-operation of Mr. Jheet Khullar, local photographer, who donated his services for the occasion. Mr. and Mrs. Norman Chalifoux and Miss Janice Pelletier, who supplied the photo of the convent shown in this edition.

Rose Martel.

Mayor Arthur Stapleton, after delivering a very touching and inspiring farewell address thanking the Rev. Sisters for their contribution to the education and culture of the community, is seen presenting Rev. Sister Gabrielle Fortier, Provincial Superior, with the plaque that will be placed on a cairn in the church yard, in memory of the 68 years that the congregation of "Les Filles de Jesus" spent in Morinville.

Mr. Roger Vansevenant, chairman of the St. John the Baptist Church Council is seen presenting a framed scroll to Rev. Sister Provincial, on behalf of the parishioners.

Mrs. Ann Kryskow, chairman of the Thibault School Board, presents to Rev. Sister Gabrielle Fortier, a framed picture of Notre Dame Convent, on behalf of the school board.

A Brief History

During the afternoon program at the Morinville Centre, a resume of the history of the congregation was read by Mr. Alphonse Nobert in French and Paul Chalifoux in English. It revealed that following the arrival from France on Jan. 21, 1904, in 32 below weather, four Sisters of the Order "Les Filles De Jesus" Sr. Marie Adeline, Sr. Marie St. Tarcienne, Sr. Nicholas Marie, and Sr. Eutrope Marie, and began teaching in Morinville.

Since then the congregation has expanded to Edmonton, Pincher Creek, Lac la Biche, Plamondon, Vimy, Whitecourt in Alberta, Lewistown, Montana, California and the West Indies.

In all, according to the congregation's archives, there has been 19 Sisters from France, three from England, 13 from New Brunswick, 21 from LaBelle Provience de Quebec and 69 from Western Canada who served in Morinville during the 68 year's stay in the community. Among those, there are 39 sisters have died, many of whom are resting in the Morinville Church cemetery, 13 of them are Canadian Sisters.

Notre Dame Convent, closed its door recently, after serving as Provincial House for the Congregation of "Les Filles de Jesus" from 1904 till 1960. As a boarding school for over 50 years and now serves as an elementary school, owned by the Town of Morinville.

Joanne Morin, the last local superior, in Morinville, and elementary teacher, was embraced by petite Monique Dubord, who had presented her with a bouquet of red roses.

The formal blessing of the bronze plaque, by Bishop Roy assisted by the two priests serving St. John the Baptist Parish, Morinville, Rev. Georges Primeau, Pastor and assistant, Rev. Father Louis Viel.

Back row, left to right: Rev. Sisters Georgette Plourde, Doreen Victoor, Laura Vaugeois, Lucy Sheehan, Rt. Rev. Bishop Raymond Roy, Rev. Sisters Gisele Labonte, Eulalie Montpellier, Tarcienne Boissonnault, Rev. G. H. Primeau. Second row, from the back, left to right: Rev. Sisters Eugenie Montpellier, Marie Fortin, St. Charles Joseph, Georgine Morin, Jeannette Rousseau, Laurence Gaumont, Denise Magnan, Agathe Magnan, Florence Lavigne, Therese Riopel, Claire Bilodeau. Third row, from the back, left to right: Rev. Sisters Leonie Boissonnault, Emilia Villeneuve, Florence Bourbonnais, Marie Bathilda, Colombe Bilodeau, Alice Savard, Therese Desnoyers, Marie Anne Plamondon, Pauline Magnan, Laurette Riopel, Cecile Sale. Front row, left to right: Rev. Sisters Jeanne Morin, Marie Solange de Jesus, Blanche Sabourin, Corinne Langlois, Edith Steffes, Maria Vaugeois, Gabrielle Fortier (Provincial Superior) Edna Fraser, Irene Magnan, Adrienne Montpetit, Soeur Barnabie, Alice Trottier, Sr. Marie Benoit, Fleurette Gibeau, Germaine Boivert, Marie Eva Robert.

Rural Recreation

By Carl Royan

PUBLIC MEETING

There will be a public meeting to discuss the proposed arena to be placed at Gibbons on Monday, Dec. 11th. The meeting will start at 8 p.m. and will be located at the Gibbons Hall. All residents of the MD of Sturgeon and towns and villages within are welcome to attend.

HOCKEY

Both senior and minor hockey will be getting underway on the Dec. 9th weekend. I have been informed by many visitors who have attended hockey games in Sturgeon that the calibre of hockey is very high so lets see you out supporting your favorite teams.

Learn to golf, or Improve your golf courses may be held after Christmas. It would probably be once a week and would be taught by a golf pro.

Also, if anyone is interested in forming a ski club, we would like to hear from you.

HUNTER TRAINING

The main objectives of the Hunter Training and Conservation program is to teach and familiarize the sportsman in wildlife management and conservation - game laws and regulations - identification and habitat of wildlife. It is with this in mind that the Municipal District of Sturgeon Recreation Board will be sponsoring a course on December 16 and 17 from 9 a.m. to 5 p.m. in the Municipal District of Sturgeon #90 Building.

This is a student course, leading up to the instructor's course, to be held in February. The cost is free only your presence is required.

For information, and registration please contact the Municipal District of Sturgeon Recreation Department at 256-3322 or 424-6276.

Sturgeon Valley 4H

By Christian Mickelsen

The opening meeting for the Sturgeon Valley 4H Dairy Club was held on Nov. 7, 1972. The meeting took place in the Namao C.E. Building, and began at 8 p.m.

This year there are 13 members in our club, including two new members. Business was the election of new executive. As follows the new executive are President - David Qwuek; secretary, Allan Briggs; vice president, Karen Crozier; treasurer, Bradley Qwuek; club reporter - Chris Mickelsen; entertainment and food committee, Marianne Mickelsen and Karen Crozier; county representative, Peter Mickelsen and club leader, Melvin Clarke.

BON ACCORD ACTIVITIES

By Sadie Allen

Before getting too involved in the business of buying, addressing and stamping Christmas cards, residents of the community are reminded that again this year the Community Christmas Card will be on display in the Village Park. Greet your local friends the community way and at the same time contribute to funds that are so essential to keep all our enterprises going full steam ahead. The charge is $5 per family, payable at the Village Superette for your convenience.

Adults interested in the learn to skate program are still required to make enough for a class. Contact Mrs. Sutherland 998-2283.

The Sacred Heart Parish Council of Bon Accord and Gibbons met at the home of Mrs. Mel Ruth on Nov. 20. A Christmas raffle is being conducted with first prize a generous Christmas hamper second prize a 5 lb. Christmas cake and third prize a bathroom set. The draw will be made on Dec. 17. Tickets may be purchased from Mavis Boisjoli of Gibbons, Rose Ruth of Bon Accord or any parish member.

The Roman Catholic Church is conducting religious education classes using the New Canadian series. Instruction for grades 1 to 5 is being offered in the Bon Accord school immediately after school on Tuesdays with Yvonne Pasemko, Carol Rivet and Yvonne Gervais in charge, while the junior high class (6 - 8) is held at the home of instructor Rose Ruth at the same time.

A good turnout of members were on hand Wednesday, November 15 when Bon Accord Lions resumed activities for the winter season. The next regular meeting will be held on Dec. 6. A zone seminar will be hosted by the Bon Accord Lions Club on Sunday, Dec. 3 at 1 o'clock for the presidents, secretaries and interested members wishing to attend, of Lions' clubs from zone 37B. District representative Ken Moore of the St. Albert supper club will be in attendance.

The Fedorah Ukrainian Catholic Church staged a successful bingo on Saturday, Nov. 25. During the evening the draw for the heirloom quilt was made, with Sandra Budzinski holding the lucky ticket. Second prize of a car vacuum cleaner, donated by Paul Kilarski and family was won by William Sudyk, with the third prize of $15 cash being won by Father Stangret of Vilna. The quilt raffle proved to be a very successful venture and members of the parish extend their thanks to all those who gave their support Ukrainian Catholic Church service is held regularly on the second Sunday of the month with Father Patryshyn of Redwater in attendance.

Hockey coaches met on Tuesday, Nov. 21 in the B.A. Community Centre. The rink schedule was drawn up and is now on display. Assistant coaches are urgently needed. Volunteers may contact the coach of their choice or Wes Carleton, 998-2145.

A capacity crowd attended the Lenten Supper and dance held at the Fedorah Hall on Friday, Nov. 24. The supper, which features pyrohy and holubsti, is an annual event, sponsored by the Fedorah Ukrainian Greek Orthodox Church. A special Orthodox church service will be held at Fedorah on Monday, Dec. 4 at 10 a.m. with Rev. Sherbaniuk in attendance.

The 4H Beef Club held Weigh-in Day on Wednesday, Nov. 22 at Hugh Rigney's farm.

Tickets for the New Year's Eve Frolic will go on sale on December 7 with the cut-off date being Dec. 20 Tickets may be obtained from Elaine Whitson, 998-3630 or any member of the Ladies Community Club. The frolic will be held on December 31. A buffet supper at 8 followed by refreshments and dancing from 9 to 1:30 makes for an enjoyable evening. Tickets are $12 per couple and already a good number have been spoken for.

The senior hockey team are preparing for the league opening. Anyone interested in joining the Bon Accord club is invited to contact Wes Carleton at 998-2145.

A goodly number of enthusiasts turned out for badminton on Monday, Nov. 20. Last year's slate of executives was returned by acclamation. They are Joe Milligan, Alice Hewitt, Jim Nicholson and Walter Abramski. Badminton is held every Monday night from 7:30 to 10:30. More players can be accommodated. If you are interested just turn up at the school on Monday evening.

Cadet Squadron #524 enjoyed a tour of the Esso Chemical plant at Redwater on Saturday, Nov. 25. They were accompanied by Capt. Loblick and Bill Carleton. A very successful Pie Shoot sponsored by the cadets was held on Sunday, Nov. 26.

LEGAL LOCALS

By Lucienne Montpetit

Congratulations to Marcel Morin who was engaged to Bonnie Perreault recently. Marcel is the son of Mr. and Mrs. Arthur Morin, and Bonnie is the daughter of Mr. and Mrs. Marcial Perreault all from Legal.

Best wishes also to George Prefontaine who is engaged to Mae Skrynik from Edmonton. George is the son of Mr. and Mrs. Roland Prefontaine and Mae is the daughter of Mr. and Mrs. Skrynik of Kinuso.

Les Femmes Chretiennes had a very successful Christmas party last Saturday at the Rec. Centre. The ladies that organized the evening are to be commended for all the preparations and the delicious lunch that was served to conclude a lively party. The door prize donated by Mrs. Leon Prefontaine was won by Mr. Normand Charrois.

The CWL will hold a bingo at the Chateau Sturgeon on December 8 at 8 p.m. Everyone is welcome.

Do you want to give a profitable gift to your family for Christmas? Buy them a season ticket at the Arena now on sale at the Arena.

WHERE FRIENDS ALL MEET

MORINVILLE MEMOS

By Rose Martel

Morinville made the headlines on Sunday, Dec. 3, as a break in a pipeline crossing Mrs. Georgette Champagne land just east of town limits broke and flooded some five acres of land with the black crude on white snow covered fields. Until late in the evening, crews were busy cleaning up the mess. It attracted many out of town visitors, and even TV cameras were on hand to record the scene.

A public vote of thanks to Dave Kegler and his good wife Ann, before his departure from Morinville, for Pincher Creek where he has been transferred. During his four and one half years of stay in Morinville Dave has done more than his fair share of community work. He is responsible for the re-organization of junior hockey, the upgrading of the Morinville Sports Association as a community project, and also has contributed much to the good works of the Morinville Lions activities, which he serves at present as president.

As always his good wife Ann has supported him and has also participated, whenever possible to the Morinville Community activities. So - before they leave, thank you Dave and Ann on behalf of the entire community, and especially the junior hockey teams of Morinville and district.

Among those reported in hospital this past week were Louis Houle, Mary Wiley and Agnes Bokenfohr.

Mr. Ernie Jamison, MLA has announced that the Morinville Liquor Store will become a reality in 1973, as the necessary provincial budget appropriations have been included in the next year government expenditures, and approved.

With the full cooperation of the weather-man, the natural ice in the Morinville Arena is ready, and the winter program is underway, including public skating. The lowest temperature recorded was 19 below in Morinville last weekend.

The Morinville Church Council are again this year sponsoring a New Year's Eve Frolic, in the Morinville Recreation Centre with midnight supper and a good orchestra. Dancing from 9:30 p.m. to 1:30 a.m. Admission by advance purchased tickets only. These advance tickets are available in Morinville now, by any member of the Morinville Church Council. For further details contact Ann Kryskow at 256-4332, Morinville.

Happy birthday greetings to Armand Turgeon, a Morinville Senior Citizen, who will be celebrating on Dec. 12th, and whose name was omitted from the list last week.

The Morinville Drum and Bugle Band, members and their leaders, are grateful, for the generous response received from the home town folks, for their community greeting card project in Morinville. Anyone wishing to donate may contact any of the following with their cash donations: Camille Gregoire, Angela Gibeault or Yvonne Vranas and your name will be added to the list.

Several of our local He Men went Moosing in the so - called wilds recently. Among those returning with moose, elk or deer meat were Roger Champagne, Andy Gervais, Harve Vranas, Robert Weiss, Guy St. Germain, Marcel and Wilfrid Labonte, Gaston and Joffre Kremer, accompanied by Mayor Leon St. Martin of Legal and others were not so successful, but reported a good outing.

The Morinville Lions Club will hold their annual turkey bingo on Saturday, Dec. 16, in the Recreation Centre at 8 p.m. Door prize for advance ticket holders only. Tickets - $2 for 20 games are now being sold by Lion members in Morinville. Admission can be paid at the door before 8 on the 16th. The Morinville Lions held a supper meeting on Monday, Nov. 27 with 16 members in attendance. Two new Lion members were inducted by Lion Arthur Stapleton, Edward Kryskow and Romeo Boissonnault.

The Morinville Senior Citizens new clubhouse is now opened for the regular Wednesday afternoon card parties. Due to the late date, no special party will be held until later in 1973, when proper facilities are installed to welcome guests.

Norman Tremblay was a guest in Morinville last Sunday. Mr. and Mrs. Norman Tremblay and family now all reside in Spruce Grove. Daryl remained in Fort McMurray where he is employed full time, with a local firm.

Anyone who would like copies of photos taken at the Appreciation Day program by Mr. Jheet Khullar may order same by contacting Rose Martel or Mr. Khullar as soon as possible. Price of 5 x 7 prints are $1.25 per copy, of any choir groups or others.

Deputy Fire Chief Don Found reported recently that some unthinking individual, turned off all the power in the Morinville Fire Hall, after entering the premises unlawfully. This could have resulted in major costs to the town, if the water had frozen in the fire trucks, and hoses. Furthermore, with the main switch turned off if a fire had taken place it would have been impossible to sound the alarm and assemble the members of the volunteer fire brigade to fight any fire. This is very serious mischief, to say the least, and once again it is time to request all thinking adults, to uphold the law, and at the same time protect and respect all public utilities in our community at all times.

Sturgeon Board Studies New High School Project

The Board of Sturgeon School Division has been holding a series of public meetings at all its schools to discuss a proposal to establish a senior high school to serve the area and to get public reaction to the proposal.

Chairing the meetings and presenting the proposal to residents in their electoral divisions are trustees John McDonell for Camilla, Lois Hole for Sturgeon Heights, Reg Austin for Gibbons-Bon Accord and Harold Paul for Namao-Horse Hill.

The proposed school which is expected to enroll up to 800 students could open in the fall of 1975 if approval by the Provincial government is received by next summer. Students are presently attending St. Albert High, Paul Kane, St. Joseph's High, M. E. LaZerte Composite High, Georges Vanier High and Westlock High Schools.

Employing between 40 and 50 teachers, the school would offer complete academic, business, home economics and industrial arts programs as well as some special education programs.

The reasons given for the proposal by the Board to operate its own high school services are:

*To provide direct Board control over the high school services it provides and to enable closer communication and participation in decisions by parents of Sturgeon students.

*To improve the Board's financial position in providing educational services to students in all its schools.

*To provide a complete and varied program in a school still small enough to encourage personal attention by staff and good school spirit.

*To provide a rural location away from the distractions of a city or town in which its students do not reside.

*To ensure equal opportunity for all Sturgeon high school students to have access to a high quality program.

*To facilitate the provision of special education programs to students by reducing the transportation and boarding problems for parents of these students.

*To provide improved opportunity for Sturgeon students to participate in extra curricular activities.

The Board has announced the site of the proposed high school on property adjacent to the present Namao School. This site was selected because of its proximity to the centre of present and future student population, its location at a junction of major paved arterial roads serving all parts of the school division, and the availability of power, gas and a reliable water supply at the site.

A dirty-looking tramp had been admitted to a hostel for the night. Next morning the head of the hostel asked. "Have you taken a bath this morning?"

"No, sir," answered the man, "is there one missing?"

NAMAO NEWS

By Norma Crozier

Namao's Senior Citizens held an organizational meeting in the Community Hall and adopted the name of Namao 60 plus Club. Mrs. Bertha Speers chaired the short meeting at which Mr. Bruce Porter outlined the executives proposals with regard to furnishing the new Senior Citizens lounge in the Community Hall. Mr. Laurent Coulombe explained the New Horizons Funding program in regard to this project. It was decided to apply for the available grant from the federal government. After the business meeting the 33 members present enjoyed an afternoon of shuffleboard, darts and cards followed by light refreshments. The next meeting will be held in the hall on Thursday, Dec. 7th at 2 p.m.

Namao UCW's Christmas party will be held at the home of Mrs. Donald McLay at 10236 140 St., Edmonton on Wednesday, Dec. 13 at 8 p.m. All ladies of the district are cordially invited to attend.

Congratulations of the district to Mr. and Mrs. Gary Owen on the birth of a son. Proud great grandparents are Mr. and Mrs. Percy Stubbs.

Namao School and Community League will hold a New Year's Eve supper dance in the school gymnasium. Tickets are available from the executive.

Gibbons Legion Celebrates Anniversary

The Gibbons Branch #226 of the Royal Canadian Legion held their 25th anniversary social in the Gibbons Legion Hall on Friday, Nov. 24th. The evening started with a short history of the Legion since its beginning, by the secretary, followed by the presentation of 25 year pins to 18 members of Gibbons Legion.

District Commander Percy Rossiter and Zone Commander Walter Thomas made the presentations and congratulated each member as he was presented with his pin. Congratulations were also given by the Gibbons Legion president as well as a welcome to all that attended.

Those receiving pins were Fred Dale (96 years young), Tom Coley, Wilfred Derosia Emil Fink, Rev. Jack Gibbons, Jack Hogg, Bill Gibbons, Spencer Holmes, Emerson Knott, Steve Lamoureux, Stan Mabbutt, Lloyd MacDonald, Harvey McLean, Tom Rippon, Ken Speer, Bob Walker, Jack Williams and Earl Yeo. Following the presentations, refreshments and lunch were served to a large gathering and a good time was had by all.

Seed Plant Scores Banner Season

The Morinville Municipal Seed Cleaning Co-operative Ltd. held its annual meeting last Friday at which, reports were received from the board of directors, the financial statement was studied and the election of a slate of officers for the coming term was held. In addition to the board of directors, present were a few invited guests plus about 20 shareholders.

In his report, chairman of the board Allan McDonell proudly announced that the Morinville Municipal Seed Cleaning Co-operative had again attained a near-record by processing 443,000 bushels of grain during the past season. Mr. McDonell also revealed that repairs made on the plant during the current year, as a result of damages caused by last year's hail storm, cot $2,200. Mr. McDonell explained that the board of directors had decided to add $700 to the $1,500 insured value of the plant damage and give the complex a new look. The $700 went toward cleaning, nailing and painting the exterior of the seed plant.

Other improvements made during the year included $1,300 for a 3,000 gallon sewage holding tank along with complete bathroom facilities. Another major improvement was the installation of a new precision grader costing a total of $6,000. This modern unit, Mr. McDonell explained, enables the plant to process up to 20 per cent more grain and solves the problem of hiring and paying for a bigger staff. He did acknowledge that the board of directors had to increase the price per bushel this year by one cent. Mr. McDonell explained that the increase was decided upon to meet increases in salaries. He also pointed out that this was the first increase in 23 years of operation.

From the seven-member board of directors, Allan McDonell was re-elected chairman for another term of office. Vice-president is Fred Kaup who replaces Archie Cameron and J. M. Sharp. board secretary was re-appointed for another year. Other members of the board include: Don Victor, Archie Cameron, Reg Crozier, Walter Jerram and Wally Klatt. Bud McGillies will be starting his 19th year as plant manager.

Mr. and Mrs. Jacques Lavoie celebrated their 30th wedding anniversary last week with a reception at the Viking Restaurant and a gala evening at the home of their daughter and son-in-law's home, Mr. and Mrs. Marcel Lefebvre of Edmonton. The guests of honor received a purse of money on behalf of those present and also best wishes for good health and continued happiness. A midnight supper was served by their children. Mr. and Mrs. Lavoie were married in St. Jean Baptist Church, Morinville by Father Barbeau in 1942. They farmed in the Picardville district and moved to Edmonton in 1970. Mr. and Mrs. Lavoie have five children, namely, Leonard of Morinville, Ray of Edmonton, Mrs. Leo Ringuette (Lucille), of Vimy, Mrs. Marcel Lefebvre (Antoinette) of Edmonton and Norman at home. They also have three grandchildren Richard, Remi and Donald. The community wish to extend to the happy couple best wishes and congratulations.

As I See It

by ROSE MARTEL

By Rose Martel

This is the time of Advent, a time of preparation a time of reflection and a time of resolution planning for the coming year.

Everyone is preparing to celebrate the Yuletide Season. For some it will be a very happy and exciting time, with families gathering and many social outings, among friends and relatives.

For others it is a very different story. It is a time of anguish and even despair. Children, especially young ones are sometime the victims of a very selfish and cruel society, but never more than at Christmas time, when the world passes them by without a kind word or better yet a small share of the goodies that are so abundantly distributed at this particular time.

I also feel very sorry for the elderly individual who has to spend Christmas day alone, with a very meager meal and his memories.

If we profess to be part of the Christian world, who advocate the time of Advent, to prepare for Christmas, the Birthday of Christ, Prince of Peace, and we wish "Good Will" to all our fellow men, regardless of their faith and beliefs, then why not make sure that every individual in our community, young and old alike, is remembered and is invited to share our bountiful share of goodies, and is welcomed at our tables on Christmas day.

The children, youths and local organizations who solicit funds all year around, should make sure that not a single soul regardless of background, or color, will spend Christmas alone and lonely on Christmas Day in our community.

Yes . . . now is the time to prepare, but is also the time to share, with those who cannot help themselves. Think about it - easy - but will someone do something to make it come true.

VIMY

By Jeanne Laplante

Mr. and Mrs. Wilfrid Provencal were feted by their children on the occasion of their 35th wedding anniversary. Their eight children were present for the happy occasion including Mr. and Mrs. Maurice Provencal from Peace River and also Mr. and Mrs. Roland Provencal from Red Deer. Many happy returns.

Engagement congratulations are extended to Miss Madeleine Blanchette and Philip Poirier from St. Albert.

Mr. John Paul is presently the new school janitor. He is residing in our hamlet and we wish to welcome him in our area.

The school children enjoyed a day off on Friday as the Parent-Teacher day was scheduled.

Wedding congratulations to Mr. and Mrs. H. John Gough, the former Miss Lucille Gagne, whose wedding took place on Saturday, Dec. 2.

Weekend visitors at the home of Mr. and Mrs. Wilfrid Provencal were Mr. and Mrs. Maurice Provencal and daughter from Peace River.

Miss Betty Bernard was feted in the community hall at a miscellaneous bridal shower. A large number of ladies were present. A few games of bingo were played followed by the opening of many lovely gifts. Miss Bernard is the bride-elect of Mr. Laurence Laforce. Wedding will take place on December 15th.

Legal Senior Citizens Entertained By Ladies

By Lucienne Montpetit

Santa Claus came to town on Saturday afternoon to visit the patients at the L'Meara Lodge, he stayed overnight in order to give him a chance to visit our senior citizens at the Chateau Sunday afternoon.

Les Femmes Chretiennes were happy to present a Christmas concert at the O'Meara Lodge Saturday afternoon. Songs, monologues, baton numbers and sing-a-longs were rendered very well by the group, and greatly appreciated by the patients.

The program wouldn't have been complete without Santa's ho-ho-ho! then he distributed his goodies to everyone. Mrs. O'Meara was presented with a Christmas corsage. Coffee, cocoa and cookies was served to conclude a very cheerful afternoon.

On Sunday afternoon the entertainment group was still full of Christmas spirit to present their variety program to the senior citizens Emcee Lucienne Montpetit offered her best wishes on behalf of Les Femmes Chretiennes and said it was a pleasure for them to sponsor this afternoon. At the end of the program bells were ringing and everyone started to sing "Here Comes Santa Claus." Yes it was that Jolly Old Man who was bringing chocolates to the women and "cheers" for the men. A Christmas corsage was given to Mrs. Leguerrier (matron). Mrs. Leguerrier thanked the group for entertaining and bringing happiness to the citizens.

Les Femmes Chretiennes hope that they have brought some Christmas spirit to the senior citizens and the Christmas is the time when we pay hommage to the Prince of Peace, let us pray that the true spirit of the Season remain in the hearts of everyone even after the joyous holiday.

The committee wishes to thank all those who helped in anyway to make these afternoons so successful.

There's a new remedy on the market for baldness. It's made of alum and persimmon juice. It doesn't grow hair, but it shrinks your head to fit what hair you have.

Legal CWL News

By Mary Quaghebeur

The November meeting of St. Emile's CWL heard the spiritual program by Madeline Cornelis, entitled "Up Hold Christians Values and Morals."

A thank you note from Sylvia Charrois was passed around for donation of scholarship award.

Religious Calendars in both English and Frenchwill be sold at Saturday night mass and two Sunday masses, price is 75¢ each. We have a limited supply, so get yours early.

Father Bissonnette played one of the Truth Tapes and records on "Family life." An interesting discussion followed.

A bingo sponsored by CWL will be held at the Chateau Sturgeon Senior Citizens Home on December 8, at 8 p.m. Admission is $1.00. Everybody welcome.

Anyone wishing to join CWL are welcome to do so, regular meetings every third Tuesday of the month.

Next meeting December 19th.

"For Christmas," said the pretty young wife, "let's give each other sensible gifts like ties and fur coats."

Step into comfort ...

with an electric CAR WARMER

You spend a lot of hard-earned dollars on your car. It makes sense to spend a few dollars more. Just a few. To buy yourself comfort during the cold winter months. Just plug-in to the nearest outlet. No more window scraping. No more frozen seats. Owning an electric in-car warmer will give you that warm feeling inside.

See the great electric put-in at your favorite dealer and step into comfort on those cold winter days.

ELECTRIC SERVICE LEAGUE OF ALBERTA

Arts, Crafts Instructor Visits Calahoo W.I.

By Liz McLeod

The annual meeting of Calahoo WI was held on Nov. 27th at 8:30 p.m. in Mrs. Carl Bergstreiser's home, with 14 members and Joyce Bergstreiser, Mrs. J. Frankie Sparks and Mrs. G. Angie Moellmann present.

After reciting the Creed, the minutes and treasurer's reports were heard followed by letters from Mental Health, thanking us for the $25 donation, the newsletter from District Director Mrs Vera Holt, and in it branches are always asking assistance on how to not lose their sparkle so Vera sent along this verse hoping there was a message in it. Here it is:

MY HUSBAND

He never says, "I Love you so,"
As I somehow thought he would.
But if I ask, he says,
"You know I do; that's understood."

He never says he likes my dress, or likes the tune I'm playing. But if I ask he answers, "Yes, that goes without my saying."

I ask him; "Will your love for me Be always true and steady?" He sighs and says so wearily; "I've told you that already."

"For better or for worse" and more, The kind old parson chanted. I don't know which I took John for - But he took me for granted

Vera thought therein lies our problem. We have a tendency to take things for granted. Like a good marriage everyone must work at it.

We were reminded of the forthcoming constituency conference to be held in Stony Plain being it will be their 60th anniversary in 1973.

Also the Federated Women's Institute being held at Banff along with the provincial convention June 17 to 23 in 1973. Members wishing to attend must register before January 15. Some provinces are already booked solid. Also if any branches wish to billet visitors in their homes after the convention they should make this known to your district director.

For the cost of accommodation at the Banff Centre here it is: Private room with bath - $18 per person. Twin beds in room with bath - $14 per person. 3 or 4 sharing a room without private bath - $9.50 per person.

Registration fee for the first day Provincial Convention - 17th and 18th is $1 and for F.W.I.C. from 18th to 23rd is $25.00.

Each district has been asked to donate handicraft articles to be sold at the National Convention to help defray expenses. It was suggested these articles be wrapped in clear plastic, include the maker's name and address and marked with a suggested selling price. They should be moderately priced - from one to three dollars is recommended, and these articles should be sent or given to your own district director by May 15.

Transportation for delegates and constituency convenors will be on a pooled fare basis. Remember you MUST REGISTER with Mrs G. McMillan 7720 - 106A Avenue, Edmonton, Alta. by January 15, 1973.

There was a lot of business to attend to and we emerged with a new president so the executive shapes up this way: President - Mrs Vic Albrecht; vice president Mrs. V. Berry; treasurer, Mrs. R. Schmermund; secretary, Mrs. P. McLeod; directors: Mrs. J. Carty, Mrs. F. Brown and Mrs. G. Schmermund; tour convenor, Mrs. M. Kerr; flowers and visiting, Mrs. V. Berry and Mrs. F. Lis-chewski.

Subjects to study in new year: Cultural Activities - Mrs. J. J. Shenfield; Citizenship - Mrs. K. Dalheim; Canadian Industries - Mrs. J. Dalheim and Mrs. M. Kerr; Exchange Programs: with emphasis on Britain, Mrs. P. McLeod on Australia - Mrs. K. Dalheim.

December 18 was the date set for the Christmas meeting and in the new year this group will revert back to the fourth Tuesday of each month to hold their meetings. Members stated their preference of which month they wished the group to meet at their home and it was also decided to have a little game after future meetings.

A catering job was discussed. After our roll call of bring a sample of your hobby which produced so many beautiful and artistic designs on crocheting, knitting, ceramic's and the like we were favored with the very talented instructor for arts and crafts, Mrs. Grant Moellmann, who teaches the younger set at Calahoo how to make decorations, candles and the like out of inexpensive materials such as blown egg shells, paper, books, etc. and pictures of the nativity, framed, out of tinfoil and string.

The angel made of foil and wrapping paper and stuffed with newspaper, with its head, a nylon stocking stuffed, was a real work of art and the many articles and the goose egg with the nativity inside took the prizes.

Imagination, creativeness and the desire to make one's own decorations can be really rewarding. The owl made of funfur, the Christmas card holder made out of cardboard and tissue fashioned with a pocket and the wreath made of pine cones was really nice.

After all these lovely crafts were admired a delicious lunch was served. Emelia Schmermund won the door prize that Daphne forgot, but will bring next time.

So sorry you missed this meeting Edna.

Visitors are most welcome to our pleasant meetings.

GIBBONS NOTES

A very pleasant afternoon was spent by the Senior Citizens Club of Gibbons on Thursday, Nov. 23. There were 26 members present.

Eight hands of Whist were played with prizes being handed out. Mrs. Moore, who played as a man, and Mrs. Dawson were first prize winners and Mr. Tupper and Mrs. Logan got the booby prizes.

After lunch Mr. Bromfit gave a speech about men as compared to women which was very entertaining. Some of the other men told funny stories which were enjoyed by all. There was also a lot of visiting done.

A short meeting followed. It was decided to send the toys and dolls to the Charles Camsell Hospital.

There will be only one meeting in December which will be on the 14th, instead of the 7th. It will be our Christmas meeting. Each man is to buy a gift for a man and each lady is to buy a gift for a lady, not to cost more than one dollar, which names will be exchanged at the meeting. Do not put any names on the gifts. Just indicate if it is for a man or woman. Perhaps it would be a good idea to buy an extra gift in case someone is there who hasn't heard of this.

Get well wishes to Billy Elzinga recovering from his operation.

Due to the cold weather the bottle drive is postponed to December 9.

Congratulations to Mr. and Mrs. Rick Lawley on the birth of their second child, a son Richard on Nov. 13, 1972 6 lbs. 10 oz.

The Gibbons Recreation Board is asking all clubs and businesses for floats for the Sno Ball parade, Feb. 10, 1973.

M.D. OF STURGEON #90

Removal of Clay

The Developer, Edcon Block Ltd., proposes to remove clay from portions of the S.W. and N.W. 27-53-25-4 to be used as material in their plant operations.

Persons affected or opposing the proposal are requested to submit their objections in writing to the undersigned prior to December 14, 1972 at 2:00 p.m. at which time a hearing, if necessary, will be held by Council in the Municipal Office at Morinville, Alberta

Alphonse Nobert,
Secretary-Treasurer
and Developing Officer.

Thibault School Board Would Welcome More Public Involvement

By Rose Martel

Mrs. Ann Kryskow, was elected chairman of the Morinville Thibault School Board at a re-organization meeting held in November, following the election of Guy St. Germain by acclammation last October, replacing Matt Tellier, who resigned to become secretary.

In a telephone interview Mrs. Kryskow voiced her desire, as first step as chairman, to have the rate payers of Thibault school district become interested participants in school affairs. The school meetings, are now scheduled for the first and third Tuesday of every month in the Town Hall Council Chamber, beginning at 7 p.m. Every meeting is open to the public, and news will be published in The Gazette.

Highlights of the Nov. 21 meeting include discussions with a St. Albert consulting firm regarding feasibility of local high school, school functions and curriculum, finances, advantages and disadvantages of a local high school in this community.

A delegation of junior and senior student union representatives presented the school board with cheques for $138 from the juniors and $400 from the senior, for a new time clock in the school gym, costing $838.00. Balance and installation charges were paid by the school board. This clock is a great advantage to all sports program, and the students are to be congratulated for helping pay for a good part of cost. Georges P. Vanier was the only school gym with out this type of clock in the entire area.

Primary reports was presented by senior administrator Wilfrid Fitzpatrick, on the evaluation of professional staff at Morinville, and tabled for future discussions. The Health Inspector report was read from Mr. Ken McAmmond, Sturgeon Health Unit. Claude Riopel has been hired as extra maintenance man, until spring, mainly to clear out snow during winter months.

Mr. Fitzpatrick reported on the parent-teacher interviews. For junior and high school classes, a 75 per cent turnout was reported. In elementary classes only 60 per cent of parents came to discuss the progress of their children. Very few fathers came.

Bernard Bruner, reading consultant with the regional office, Department of Education, spent half of the same day on discussions of reading areas for junior and senior high. He also discussed with elementary teachers reading process and class organization. He emphasized the proper use of the reading time and library use at all levels of education.

A religious institute was held Nov. 16 for English Grades 1, 2, 3, by Sister Annette Majeau, when 30 parents were present.

Cecile Girouard, consultant for religious education from the Edmonton Separate school board has been requested to consult with the local board.

An education advisory committee is being organized for English subjects in general. Administration representatives: Wilfrid Fitzpatrick and Professor Gerard Houle. Teachers:- David Pasey and Sr. Annette Majeau. Students: Lynn Champagne, senior high and Julie Himschoot, junior high classes. School board members: Guy St. Germain and Yvonne Leduc. Committee chairman: delegated duties: Chairman, Ann Kryskow; vice-chairman, Guy St. Germain; personnel: Alice Woytkiw; maintenance and buildings - Roger Blackburn. Delegate to other school board matters out of town - Chairman, Ann Kryskow.

A man complained to the divorce court judge that his wife was driving him mad with her constant chatter. "Under the constitution of the U.S.A., she had every right to talk," the judge remarked.

"That may be" replied the husband. "But the U.S. has a constitution that can stand it. Mine can't."

Calahoo and District Report

CALAHOO -- This photo of the Villeneuve 4H Beef Club was taken at their Awards Night and Dance. Left to right are: Back row, Marcel Kerckhof, Jocelyne Durocher, Valerie Durocher, Debbie Kramer, Julie Lesburg, Rial Durocher. Middle row: Paul Terrault, Tony Durocher, Jack Kerckhof, Jocelyne Terrault. Front row: Philip Terrault, David Soetaert with his Grand Champion trophy and Denise Kerckhof with Reserve Champion trophy.

CALAHOO -- Congratulations go to this happy couple who were wed in a double-ring ceremony in Central United Church, Edmonton on November 4th. Ronald David McGregor, son of Mr. and Mrs. John McGregor exchanged vows with Yvonne Irene Royer, second daughter of Robert (Bob) and Ruth Royer all of Edmonton. The bride and groom reside in the city also.

By Liz McLeod

St. Catherine's Church Parish wish to thank each and everyone who attended the turkey bingo on Nov. 26 thereby making it successful. Since the first game was for a turkey and the second one cash, the winners list is in that order: Mrs. Bruster; Perry Kolesar; Angie Moellmann; John Groppe; Kenneth McRae; Diane Fowler; Barry Schmermund; Mrs. Steve Flaherty; Russell Letendre; Charlotte Kramps; Linda Perrott; Eleanor Reynolds; Mrs. Tom Fowler; Marlene Kolesar; Laurette Kramps; Terry Toma; Gale Quintal; Laura Boddez; Paul Kolesar and Mrs. Tom Fowler and Ken McRae shared the $10 blackout in the last game

The ladies served a big lunch so friendly visiting ended this happy evening.

The group taking the Defensive Driving Course held their second meeting in the Gazebo on Nov. 30 with all 29 men and women, boys and girls attending with Fred and Betty Kaup coming also, to finish their course here. Mr. Jim Kyle from Alcomdale is our congenial instructor. One can always learn something new and it doesn't hurt to brush up on the operator's manual and put it in practise. We will meet on December 5 and 7 to finish the course.

Heartiest congratulations go out to Mr. John Cram on his 96th birthday, Nov. 28. This pleasant gentleman is Mrs. Mary Dalheim's father and is still hale and hearty and can visit with anyone stopping by to pass the time of day. Mr. Cram lives at Kris and Mary's. While he is still able to care for himself, the family don't like to see him live alone anymore. He enjoys reading and watching TV and is sometimes overwhelmed at the changes through the years. Your friends and neighbors wish everything that's good and fine for you, sir, in the years ahead.

It was so nice for us to accompany Marcel and Theresa Kerckhof when they visited former neighbors, now living in Westlock, Alvain and Theresa D'hoedt, who have now got settled and are meeting friendly folks and very glad they chose Westlock to live. Earlier this same day the D'hoedt's enjoyed more neighbors from the district who came. Leo and Evelyn Paquette and Leo's father. Theresa had a chance to see Leo and Evelyn's young son Jason, to marvel how much he'd grown.

Gordon and Emelia Schmermund are really happy to see so many friends come now that Gordon is recuperating at home. Henry and Erma Burlotte, Mrs. J. Clara Schmermund, Mr. and Mrs. Gordon Lienau; Melvin Lienau and son; Jerry Heichel, Emma and Andrew Miller, Gordon Platz, Mr. and Mrs. Halle and family and many more neighbors shared friendships recently.

David and Aline Roddick with Carolyn went to St. Rose Du Lac Manitoba to Aline's parents home to attend her brother, Placide Landry's wedding on Nov. 25 They had a very pleasant journey and everyone was happy to visit with them at the wedding.

Werner and Toni Christen certainly enjoyed their two week's stay in Vancouver, B.C. While visiting with their son Walter, they also saw Mr. Alex Harter, a one time resident of the Green Willow district and Elaine Shenfield who also is employed out there. Toni's girlfriend, who accompanied her on the trip, stayed to visit relatives, and Werner's nephew, who accompanied them was taking a bus tour through Canada and the U.S.A. before returning home to Switzerland. They experienced some rainy weather at the coast but certainly enjoyed their holiday immensely.

It is comforting to know that Mrs. John Thatcher, new residents in the district this spring, has come through surgery in Royal Alexandra Hospital and is progressing favorably. John and Addi live on the late Alvain (Buster) Thatcher's place. Their son Ken, his wife, Sybil, and sons Craig and Scott, are living on the home place too and are presently awaiting the completion of their new house. We are all hoping you'll be well and strong enough soon Addi, so you can come home and be in our midst.

It's always a pleasure to meet with former neighbors and friends who are now living at Stony Plain. Clara Loyer, Madeline Brown, Pete and Liz had a visit with Malcolm McKenzie at Mrs. L. Betty MacIntyre's home. Betty was proudly showing us the beautiful rugs she'd made. Dying woollens and fashioning real masterpieces. Mrs. Brown hadn't seen Betty for many a year so the afternoon was thoroughly enjoyed by all concerned.

We were sorry to hear Mr. John McDonald, formerly of Calahoo, isn't too well these days. Met his wife Gertie uptown so had a chat. T'was my lucky day as I met Mrs. Joe Mary Vollmer too and passed the time of day. Joe and Jack D'hoedt had gone fishing and met Mary's friend, Mrs. Rita Paron of Spruce Grove

Its always nice to take a drive in the country to see a little of our Alberta. Marcel and Theresa Kerckhof accompanied by Pete McLeod, made the 200 mile drive down to visit some good friends at Castor. Mr. and Mrs. Kamiel Dolaege and family who own the Spruce Ville Ranch, and specialize in purebreds and crossbred cattle welcomed their guests, and took them out on to the range to show off their cattle and to round up a couple of calves which have become Jack and Denise's 4H calves. Sure is nice to be able to load your saddle horses in a trailer and then round up the animals, from a four hundred cow herd, the amount in this particular herd.

Mrs. H. Nancy Christen took Mrs. F. Brown and this correspondent with her to attend the course at Morinville MD Building of "Sew with Knits," conducted by Mrs. Beth Armbruster of Stony Plain and our own Mrs. Pat Prymak.

Morinville Library has many good books

Calendar Year 1972 was by proclamation declared "International Book Year" by the general conference of UNESCO. The general theme for IBY is "Books for All" and that is what we aim to have in your library. If we haven't a particular book that you need, we will endeavour to get it.

Following are a few titles that we have, both by Canadian and International authors. For lovers of sea stories "The Barbary Run" by Frank Eccles and "The Royal Navy and the North West Coast," a wonderful history of B.C. Then Paul Gallico's latest "The Zoo Gang" a story of jewel thieves with roots in the french resistance. Again in France, John Forsyth's most exciting thriller "The Night of the Jackal." "Survival Outdoors" by Byron Dalrymple talks of intelligent preparation for disaster, which occurs so often in our frozen north, and even nearer to home in winter.

Two new biographies, "Beaverbrook" by A. J. P. Taylor a most entertaining tome if you like big books. Then "Coco Chanel" by Marcel Haedrich. Miss Chanels influence is still everywhere in the clothes we wear.

For children there is "The Midnight Fox" by Betsy Byars. "The Wooing of

STURGEON SCHOOL DIVISION NO. 24

School Property For Sale By Tender Gibbons, Alta.- Two Lots

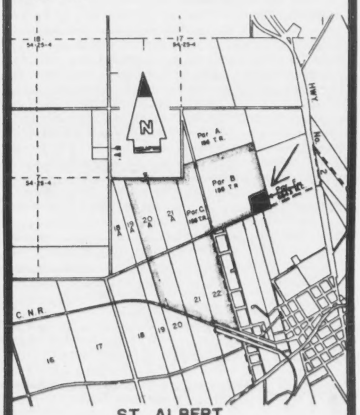
The Sturgeon School Division No. 24 offers for Sale by Tender Lot 5 in Block 5 (50' x 125'); Lot 6 and a building thereon (approximately 400 square feet) in Block 5 (50' x 125'), both with prepaid frontage taxes, located in the Village of Gibbons. Tenders must be separate on each lot, should be sealed and must be accompanied by a certified cheque of 10% of the tender and must reach the office of the Secretary Treasurer of the School Division at Morinville on or before 4:30 p.m., Monday, January 8, 1973. The successful bidder must pay the balance of the tender in full on or before January 26, 1973. Nothing herein precludes any one person from submitting a tender on each lot in one sealed envelope. Please mark your envelope "Tender - Gibbons Property." The highest or any tender not necessarily accepted.

Charles E. Krauskopf
Secretary-Treasurer,
Sturgeon School Division No. 24
Morinville, Alberta.

STURGEON SCHOOL DIVISION NO. 24

For Sale By Tender 9.92 Acres - Lacombe Park St. Albert

The Sturgeon School Division No. 24 offers for Sale by Tender a parcel of land containing 9.92 acres (**Parcel F** Plan 6843 - Lacombe Park) located within the Corporate limits of the Town of St. Albert and shown below.



Tenders should be sealed and must be accompanied by a certified cheque of 10% of the tender and must reach the office of the Secretary-Treasurer of the School Division at Morinville on or before 4:30 p.m., Monday, January 8, 1973. Deposit cheques will be returned to the unsuccessful bidders. The successful bidder must pay the balance of tender in full on or before January 26, 1973. The highest or any tender not necessarily accepted. Please mark your sealed envelope "Tender - Parcel F."

Charles E. Krauskopf,
Secretary-Treasurer,
Sturgeon School Division No. 24
Morinville, Alberta.
